Intrigue in Capri Ashley Weaver 2017-08-01 A stylish, sun-drenched original short story featuring amateur sleuth Amory Ames and her husband Milo, from the Edgar Award-shortlisted Ashley Weaver. “Amory Ames and her rakish husband Milo might just be the new Nick and Nora Charles.” — Deborah Crombie Surely mysteries and the Mediterranean must be incompatible. The setting was so idyllic, so tranquil and perfect, that it was hard to imagine anything remotely alarming could happen here . . . On holiday in Capri, Amory and Milo Ames have expected to trade intrigue for a romantic month of blue seas and sunshine. Things take a strange turn, however, when Amory comes into contact with a mysterious woman and begins to suspect she is the missing opera star whose sudden disappearance has been the talk of Europe. Before long, Amory and Milo find their peaceful holiday disrupted by the rumor of purloined pearls, a clandestine relationship, and a sinister stranger lurking in the shadows. It soon becomes apparent that wherever Amory and Milo go, mystery is not far behind. Also out now in the Amory Ames mysteries: Murder at the Brightwell, Death Wears a Mask and A Most Novel Revenge

Death Like Me
Monaldi SORTI
2016-07-16 SPECIAL
ILLUSTRATED EDITION. The
Island of Capri, August 1939.
Italy in the grip of Fascism, the
Second World War looming. At a
dazzling party under the stars
mingling aristocrats, Nazi officers
and American millionaires, the
writer, ladies’ man and Fascist
loose cannon, Curzio Malaparte
(1898-1957) - at that time
internationally renowned - is
accosted by Mussolini’s secret
police: someone has accused him of
murder, the killing of a young
English girl, a poet, who had
mysteriously fallen from a cliff a
few years before - a fall that
actually did happen. Malaparte
decides to go on the run: helped by
a few trusted friends (a
spendthrift prince, a Camorra man,
an eccentric painter and his
inseparable dog Febo) he finds
himself embroiled in an impossible
investigation. Who’s trying to
frame him? Could it be that SS
officer shadowed by his
bloodthirsty Doberman? And what
has the terrible (and true) secret
hidden in Adolf Hitler’s past to do
with the plot against him?
Struggling to stay a step ahead
of the nightmare that’s bearing
down on him, the writer is forced
to live by his wits, depending on a
charming girl with unsuspected
talents and the providential
assistance of an American
journalist, the perfect gentleman,
destined to head US military
intelligence in Europe. The setting:
Capri’s landscapes and the house
Malaparte is building atop one of
the island’s most spectacular
cliffs. All the while, champagne
corks pop, the band plays on, and
Europe’s high society drifts
helplessly to its doom. But
Malaparte won’t play that game:
no passive victim, he’s determined
to save his skin, like his mind, still
painfully scarred by a war hero’s
wounds from over two decades
before. Yet that’s by no means all
there is to it. Readers will soon
find themselves up against far more
than a mere literary fiction: the
tale Malaparte is telling covers
his entire past life; more than just
a novel, he’s responding to the
challenge of a lifetime. Only at the
very end shall we know if he has
lived up to it, or failed. A huge
success among readers and critics,
DEATH LIKE ME won the Noir
Mediterraneo prize for crime novels
and was shortlisted at both the
Acqui Storia historical fiction
competition and the Premio Strega,
the most important Italian
literary award. The wife and
husband team, Rita Monaldi and
Francesco Sorti, have published
ten books to date, international
best sellers translated into 26
languages and appearing in 60
countries, including the five novels
featuring Atto Melani (Pistoia 1626 - Paris 1714): Imprimatur, Secretum, Veritas, Mysterium and Dissimulatio. They also edited Secrets of the Conclaves, a secret report by Atto Melani which they unearthed in a Parisian library. The couple live between Vienna and Rome with their children. For many years, the notorious political and publishing intrigues surrounding the publication of Imprimatur kept Monaldi & Sorti’s books out of Italy.

Capri Diem: Love and Death on Capri
Cecilia Storhaug
2019-02-28

CAPRI - THE ISLAND OF DREAMS is the dramatic setting for the story of a brilliant, but philandering local hero who pursues justice, redemption and the miracle of love. - From the Norwegian author Cecilia Storhaug, a resident of Capri for thirty years, comes a captivating mystery novel filled with action, romance, and a cliff-hanging resolution. - CAPRI DIEM is illustrated with color images of paintings by UGO di MARTINO; a well-known artist from the Island of Capri. - At the height of the tourist season, Camilla, a free-spirited Norwegian widow with a residence on Capri, is found dead on the craggy limestone cliffs rising above the sea. San Francisco insurance investigator Max returns to his island roots with a mission to find evidence to confirm Camilla’s death; her life insurance policy has a non-payment clause for suicide. The beneficiary of the two-million-dollar claim is Camilla’s beautiful younger sister Katarina, who is visiting her sister on the island. With a financial motive and no alibi, Katarina becomes the prime suspect in this page-turning drama. - As the plot unfolds, readers get an insider’s tour of the spectacular scenery, ancient historic sites, and the glamorous playground for the rich and famous; the artists and romantics who for centuries have been drawn to Capri’s magnificent scenery and the gentle hospitality of its people. - The title CAPRI DIEM, coined from the Latin aphorism Carpe Diem, reflects the philosophical theme of the book: “Live every day as if it was your last, in search of joy and beauty. When you find beauty, you desire to be part of it forever.” - Cecilia’s novel is inspired by her love for the island and people of Capri. Born and raised in Norway, the author divides her time between Norway, California, and Capri, where she has owned a home for over 30 years. The author promotes the ART, CULTURE, and NATURE on CAPRI on her website: www.capridiem.net

The Best Films of Our Years
M. Owen Lee 2007

Dominance is an
integral aspect of strategy. Strategy, whether in war, sports or business, is about how one can place themselves in a competitive position that gives them an advantage over competitors. If that position can be made so overwhelming by one competitor that others are effectively taken out of effective competition, that competitor is dominant. Dominance wins. The game is over. Everyone else is playing for second place or lower. Creating Dominance describes how successful law firms have gone about dominating their marketplaces — be they a practice area, a city or an industry. The book begins by describing the characteristics that identify a dominant firm and the precise strategies law firms can use to put themselves in a position of dominance.

The Frederick Douglass Papers
Frederick Douglass 2022-01-11
The journalism and personal writings of the great American abolitionist and reformer Frederick Douglass Launching the fourth series of The Frederick Douglass Papers, designed to introduce readers to the broadest range of Frederick Douglass’s writing, this volume contains sixty-seven pieces by Douglass, including articles written for North American Review and the New York Independent, as well as unpublished poems, book transcriptions, and travel diaries.

Spanning from the 1840s to the 1890s, the documents reproduced in this volume demonstrate how Douglass’s writing evolved over the five decades of his public life. Where his writing for publication was concerned mostly with antislavery advocacy, his unpublished works give readers a glimpse into his religious and personal reflections. The writings are organized chronologically and accompanied by annotations offering biographical information as well as explanations of events mentioned and literary or historical allusions.

Assassin’s Run Ward Larsen 2018-08-21 USA Today
bestselling author Ward Larsen’s Assassin’s Run revives globe-trotting, hard-hitting assassin David Slaton for another breathless espionage adventure. When a Russian oligarch is killed by a single bullet on his yacht off the Isle of Capri, Russian intelligence sources speculate that a legendary Israeli assassin, long thought dead, might be responsible. However, David Slaton—the assassin in question—is innocent. Realizing the only way to clear his name is to find out who’s truly responsible, he travels to Capri. While he searches, a web of disparate events unfolds across the Middle East. Three ships, owned by the group of Russians, deliver a mysterious cargo to the shores of the Arabian Peninsula. In Morocco, a Russian aerospace company begins flight testing an innovative new drone. From Switzerland to the Red Sea to Morocco, Slaton gradually uncovers a conspiracy of monumental scope. It is a plot that will change the world strategic order—and one that goes straight to the top of the Russian government. Blood of the Caesars
Stephen Dando-Collins 2008-02-26
Describes how the assassination of Germanicus Caesar, one of ancient Rome’s greatest heroes, the grandson of Mark Antony, brother of Claudius, father of Caligula, and grandfather of Nero, set the stage for a brutal series of events that eventually led to the fall of Rome, in a study that investigates this ancient murder mystery.

Power Corrupts
Thomas Donahue 2019-08-18
From best selling authors Thomas and Karen Donahue
Power Corrupts Fifty miles off the coast of Kauai, the sails are full and the Pacific is calm. Supreme Court Justices Sydney Stark and Kelii Kalani are enjoying the sea and the serenity during their annual adventure. It all changes when a high speed racing boat comes over the horizon and continues on a direct path toward the two good friends. One of the world’s most deadly killers is on board the speed boat. Darkness is approaching when
Rear Admiral Richmond, aboard his aircraft carrier, receives an urgent message: Two Supreme Court Justices are missing at sea. Use all available resources to locate them. The Commander of the Air Group, Captain “Gollum”, launches his attack fighters to search the last known coordinates of the boat. His pilots report back that they have the sailboat in sight, and it’s heading out to sea under full sail. They drop down to get a closer look. “Sir, there are bloody bodies on the deck.” This is the latest adventure of Professor Marin Ryan, John Hunter, and CIA Assistant Director Teddy Bryce. For them, the questions keep coming, without clear answers. Who are these international killers that have stayed off the radar for more than twenty years? Who hired them? What’s the ultimate objective? Come along for the exciting ride when the killing organization discovers John is one step nearer on his computer, Marin is close to figuring out their next move, and Teddy’s violent past with the world’s most dangerous assassin resurfaces. The order goes out—kill them all. Reviews of the Previous Book, TRAPPED: “I’m addicted. Can’t wait for the next book.” “If you want a great summer of intrigue and adventure, read the entire series” “The ending was off the charts. I’m on board.”
