**Capri Diem: Love and Death on Capri** Cecilia Storhaug 2019-02-28 CAPRI - THE ISLAND OF DREAMS is the dramatic setting for the story of a brilliant, but philandering local hero who pursues justice, redemption and the miracle of love. -

From the Norwegian author Cecilia Storhaug, a resident of Capri for thirty years, comes a captivating mystery novel filled with action, romance, and a cliff-hanging resolution. - CAPRI DIEM is illustrated with color images of paintings by UGO di MARTINO; a well-

known artist from the Island of Capri. - At the height of the tourist season, Camilla, a free-spirited Norwegian widow with a residence on Capri, is found dead on the craggy limestone cliffs rising above the sea. San Francisco insurance investigator Max returns to his island roots with a mission to find evidence to confirm Camilla's death; her life insurance policy has a non-payment clause for suicide. The beneficiary of the two-million-dollar claim is Camilla's beautiful younger sister Katarina, who is visiting her sister on the island. With a financial motive and no alibi, Katarina becomes the prime suspect in this page-turning drama. - As the plot unfolds, readers get an insider's tour of the spectacular scenery, ancient historic sites, and the glamorous playground for the rich and famous; the artists and romantics who for centuries have been drawn to Capri's magnificent scenery and the

gentle hospitality of its people. - The title CAPRI DIEM, coined from the Latin aphorism Carpe Diem, reflects the philosophical theme of the book: "Live every day as if it was your last, in search of joy and beauty. When you find beauty, you desire to be part of it forever." - Cecilia's novel is inspired by her love for the island and people of Capri. Born and raised in Norway, the author divides her time between Norway, California, and Capri, where she has owned a home for over 30 years. The author promotes the ART, CULTURE, and NATURE on CAPRI on her website: WWW.CAPRIDIEM.NET

Death Like Me Monaldi

SORTI 2016-07-16 SPECIAL  
ILLUSTRATED EDITION.

The Island of Capri, August 1939. Italy in the grip of Fascism, the Second World War looming. At a dazzling party under the stars mingling aristocrats, Nazi officers and American millionaires, the writer, ladies' man and Fascist loose cannon, Curzio Malaparte (1898-1957) - at that time internationally renowned - is accosted by Mussolini's secret police: someone has accused him of murder, the killing of a young English girl, a poet, who had mysteriously fallen from a cliff a few years before - a fall that actually did happen. Malaparte decides to go on the run: helped by a few trusted friends (a spendthrift prince, a Camorra man, an eccentric painter and his inseparable dog Febo) he finds himself embroiled in an impossible investigation. Who's trying to frame him?

Could it be that SS officer shadowed by his bloodthirsty Doberman? And what has the terrible (and true) secret hidden in Adolf Hitler's past to do with the plot against him? Struggling to stay a step ahead of the nightmare that's bearing down on him, the writer is forced to live by his wits, depending on a charming girl with unsuspected talents and the providential assistance of an American journalist, the perfect gentleman, destined to head US military intelligence in Europe. The setting: Capri's landscapes and the house Malaparte is building atop one of the island's most spectacular cliffs. All the while, champagne corks pop, the band plays on, and Europe's high society drifts helplessly to its doom. But Malaparte won't play that game: no passive victim, he's determined to save his skin, like his mind, still painfully scarred by a war hero's wounds from over two

decades before. Yet that's by no means all there is to it. Readers will soon find themselves up against far more than a mere literary fiction: the tale Malaparte is telling covers his entire past life; more than just a novel, he's responding to the challenge of a lifetime. Only at the very end shall we know if he has lived up to it, or failed. A huge success among readers and critics, **DEATH LIKE ME** won the Noir Mediterraneo prize for crime novels and was shortlisted at both the Acqui Storia historical fiction competition and the Premio Strega, the most important Italian literary award. The wife and husband team, Rita Monaldi and Francesco Sorti, have published ten books to date, international best sellers translated into 26 languages and appearing in 60 countries, including the five novels featuring Atto Melani (Pistoia 1626 - Paris 1714): *Imprimatur*, *Secretum*, *Veritas*, *Mysterium* and

*Dissimulatio*. They also edited *Secrets of the Conclaves*, a secret report by Atto Melani which they unearthed in a Parisian library. The couple live between Vienna and Rome with their children. For many years, the notorious political and publishing intrigues surrounding the publication of *Imprimatur* kept Monaldi & Sorti's books out of Italy.

Things take a strange turn, however, when Amory comes into contact with a mysterious woman and begins to suspect she is the missing opera star whose sudden disappearance has been the talk of Europe. Dominance is an integral aspect of strategy. Strategy, whether in war, sports or business, is about how one

can place themselves in a competitive position that gives them an advantage over competitors. If that position can be made so overwhelming by one competitor that others are effectively taken out of effective competition, that competitor is dominant. Dominance wins. The game is over. Everyone else is playing for second place or lower. Creating Dominance describes how successful law firms have gone about dominating their marketplaces - be they a practice area, a city or an industry. The book begins by describing the characteristics that identify a dominant firm and the precise strategies law firms can use to put themselves in a position of dominance.
