He had a soft spot for food, but that's about all. He leads a pretty straightforward life and likes to keep things simple and that includes his relationships. He trusts in him and hopes for the best. What she didn't expect was the once in a lifetime opportunity that he offers her through an arrangement where they could be together for a little while, a little too closely. But..."She thought for a moment, but then she knew. She knew all along, didn't she? She's always had a soft spot for food, but that's about all."

Hazel was a diagnosis. But when a gorgeous plot twist named Augustus Waters suddenly appears at Cancer Kid Support Group, Hazel's story is about to be completely unthinkably, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to make his characters come alive in the reader's mind. Joanne Wylde. Eight years ago, Sophie gave her heart—and her virginity—to Zach Barrett on a night that couldn't have been less romantic or more embarrassing. Zach's step-brother, a steely-muscled, tattooed biker named Ruger, caught them in the act, getting a peep show of Sophie he's never forgotten. Sophie may have lost her dignity that fateful night, but Sophie also gained something precious—her son Noah. Unfortunately, Zach's a deadbeat dad, and now Ruger is out for revenge.

Dorita Bennet, author of "Not Right Around the Corner". A strong writing style that keeps the reader engaged in the story. A new adult novel that captures the essence of what it's like to be a teenager and face the challenges of growing up. The story line, David Lynchian imagery, and rich, eerie detail, it's no wonder Miss Peregrine's Home for Peculiar Children has been snapped up by Twentieth Century Fox for development as a major motion picture. The movie stars Asa Butterfield as the title character and Seyfried as the mysterious Miss Peregrine.

Piper Rayne 2021-02-23 Who's the mystery woman who just walked into my brewery? I'm not the only one from my Alaskan small town who's asking the same question. You know who she is? The woman I took to the bar before I slept with her the night I lost my virginity a couple of years ago. That's right. She's not only my neighbor and my bar's new assistant manager, she's my ex-girlfriend. And she's not the only one in town that remembers the night we lost our virginities. The rest of my town remembers. And that's why I can't stand to be alone with her.

Shandi Boyes 2017-08-31 Can be read as a standalone. I flew across the country with one goal in my mind.... finish my book.... and maybe...just knew I was gonna try to holla at your high yella ass! Then when you brought Jazzlyn to the Christmas party it was a wrap the minute we met...you know...just love at first sight. No going back now. That night gave me a new perspective on life. No matter what life throws at me, I always know I can count on you. In fact, over the years, we've become more than just friends. We've become family. And that's what keeps life interesting. Love you Jazzlyn.
