Reaper's Legacy Joanna Wylde 2014-01-28 Take a wild ride with the Reaper's Motorcycle club in this steamy novel from New York Times bestselling author Joanna Wylde. Eight years ago, Sophie gave her heart—and her virginity—to Zach Barrett on a night that couldn’t have been less romantic or more embarrassing. Zach’s step-brother, a steely-muscled, tattooed biker named Ruger, caught them in the act, getting a peep show of Sophie he’s never forgotten. She may have lost her dignity that fateful night, but Sophie also gained something precious—her son Noah. Unfortunately, Zach’s a deadbeat dad, leaving Ruger to be Noah’s only male role model and having him model in near poverty, Ruger takes matters into his own hands—with the help of the Reapers Motorcycle Club—to give them a better life. Living with outlaw bikers wasn’t Sophie’s plan for her son, but Ruger isn’t giving her a choice. He’ll be there for Noah, whether she wants him or not. But Sophie does want him, has always wanted him. Now she’ll learn that taking a biker to bed can get a girl dirty in every way…

Understanding and Treating Incels Brian Van Brunt 2020-11-29 Understanding and Treating Incels is an indispensable guide for mental health clinical staff, social workers, prevention specialists, educators, and threat assessment professionals who want to better understand the involuntary celibate movement, assess individuals’ potential for violence, and offer treatment approaches and prevention efforts. Chapters explore the movement in terms of gender, technology, the media, and pornography usage. The book discusses how the incel mentality has motivated individuals to misogynistic worldviews and increased rage and disillusionment, and inspired acts of targeted violence such as school shootings and mass casualty events. Later chapters walk the reader through three cases studies and offer treatment considerations to assist mental health professionals and those developing education and prevention-based programming. The complete text gives the reader useful perspectives and insights into incel culture while offering mental health clinicians and educators guidance on treatment and prevention efforts.

Her overprotective father, Picnic, is the club’s president. The last time she had a boyfriend, Picnic shot him. Start-up Nation Dan Senor 2011-09-07 START-UP NATION addresses the trillion dollar question: How is it that Israel-- a country of 7.1 million, only 60 years old, surrounded by enemies, in a constant state of war since its founding, with no natural resources-- produces more start-up companies than large, peaceful, and stable nations like Japan, China, India, Korea, Canada and the UK? With the savvy of foreign policy insiders, Senor and Singer examine the lessons of the country's adversity-driven culture, which flattens hierarchy and elevates informalism— all backed by focused policy. Israel has been backed up by government policies focused on innovation. In a world where economies as diverse as Ireland, Singapore and Dubai have tried to re-create the "Israel effect", there are entrepreneurial lessons well worth noting. As America reboots its own economy and can-do spirit, there's never been a better time to look at this remarkable and resilient nation for some impressive, surprising clues.

**Born a Crime**

Trevor Noah 2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Harper’s Magazine Weekly), “soul-nourishing” (USAToday) memoir of the author’s coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurbler Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Times, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act:
his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.
