Understanding and Treating Incels
Brian Van Brunt 2020-11-29 Understanding and Treating Incels is an indispensable guide for mental health clinical staff, social workers, prevention specialists, educators, and threat assessment professionals who want to better understand the involuntary celibate movement, assess individuals’ potential for violence, and offer treatment approaches and prevention efforts. Chapters explore the movement in terms of gender, technology, the media, and pornography usage. The book discusses how the incel mentality has motivated individuals to misogynistic worldviews and increased rage and disillusionment, and inspired acts of targeted violence such as school shootings and mass casualty events. Later chapters walk the reader through three cases studies and offer treatment considerations to assist mental health professionals and those developing education and prevention-based programming. The complete text gives the reader useful perspectives and insights into incel culture while offering mental health clinicians and educators guidance on treatment and prevention efforts.

Born a Crime
Trevor Noah 2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong'o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist
Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.

Fix Her Up
Tessa Bailey 2019-06-11 “Fix Her Up ticks all my romance boxes. Not only is it hilarious, it’s sweet, endearing, heartwarming and downright sexy. It’s a recipe for the perfect love story.” – Helena Hunting, New York Times bestselling author of Meet Cute
A steamy, hilarious new romantic comedy from New York Times bestselling author Tessa Bailey, perfect for fans of Christina Lauren and Sally Thorne!
Georgette Castle’s family runs the best home renovation business in town, but she picked balloons instead of blueprints and they haven’t taken her seriously since. Frankly, she’s over it. Georgie loves planning children’s birthday parties and making people laugh, just not at her own expense. She’s determined to fix herself up into a Woman of the World... whatever that means.
Phase one: new framework for her business (a website from this decade, perhaps?)
Phase two: a gut-retro on her wardrobe (fyi, leggings are pants.)
Phase three: updates to her exterior (do people still wax?)
Phase four: put herself on the market (and stop crushing on Travis Ford!)
Living her best life means facing the truth: Georgie hasn’t been on a date since, well, ever. Nobody’s asking the town clown out for a night of hot sex, that’s for sure. That’s why if people think she’s having a steamy love affair, they’ll acknowledge she’s not just the “little sister” who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite. Travis Ford was major league baseball’s hottest rookie when an injury ended his career. Now he’s flipping houses to keep busy and trying to forget his glory days. But he can’t even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there’s Georgie, his best friend’s sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What’s the harm? It’s not like it’s real. But the girl Travis used to tease is now a funny, full-of-life woman and there’s nothing fake about how much he wants her...

She may have lost her dignity that fateful night, but Sophie also gained something precious—her son Noah. Unfortunately, Zach’s a deadbeat dad, leaving Ruger to be Noah’s only male role model. When he discovers Sophie and his nephew living in near poverty, Ruger takes matters into his own hands—with the help of the Reapers Motorcycle Club—to give them a better life. Living with outlaw bikers wasn’t Sophie’s plan for her son, but Ruger isn’t giving her a choice. He’ll be there for Noah, whether she wants him or not. But Sophie does want him, has always wanted him. Now she’ll learn that taking a biker to bed can get a girl dirty in every way...

Her overprotective father, Picnic, is the club’s president. The last time she had a boyfriend, Picnic shot him. Start-up Nation
Dan Senor 2011-09-07 START-UP NATION addresses the trillion dollar question: How is it that Israel—a country of 7.1 million, only 60 years old, surrounded by enemies, in a constant state of war since its founding, with no natural resources-- produces more start-up companies than large, peaceful, and stable nations like Japan, China, India, Korea, Canada and the UK? With the savvy of foreign policy insiders, Senor and Singer examine the lessons of the country’s adversity-driven culture, which flattens hierarchy and elevates informality-- all backed up by government policies focused on innovation. In a world where economies as diverse as Ireland, Singapore and Dubai have tried to re-create the “Israel effect”, there are entrepreneurial lessons well worth noting. As America reboots its own economy and can-do spirit, there’s never been a better time to look at this remarkable and resilient nation for some impressive, surprising clues.

After a bait-and-switch, Clara finds herself sharing a lease with a charming stranger.

Spy Thy Neighbor
Shandi Bosses 2017-08-31 Can be read as a standalone.I flew across the country with one goal in my mind... finish my book... and maybe lick the wounds of my shredded heart. My editor was screaming for the first draft, my agent was nagging for teasers, and my publisher was reminding me that my strict deadline was only months away. However, there was a dilemma. I had writer’s block. Not just a little spanner thrown into the works writer’s block. Writers. Block. As in staring at the blinking light on my Mac monitor for days begging for a stream of words to magically appear on the screen. This was not my first rodeo, though. I am a well known and respected author with a New York Times best-selling status to my pen name. I just can’t write about romance, flowers, and butterfly kisses when all I want to pen is my own rendition of Basic Instinct. Ice picks to the heart, forks in eyes, and knees being slammed into ashholes crotches are not solid key pointers for a sweet romance novel. Just as I was about to throw down the gauntlet and call in my defeat, I spotted him. The bearded, tattooed man who lives in the glasshouse next door. He was in a veneral, lust filled twist with a pretty blonde who had buxom bosoms and legs that went for miles. I should have looked away. I should have respected his privacy. I should not have opened up my notepad and took detailed dot points on his technique. However, every precise thrust of his hips, snippets of his well-carved physique, and droplets of sweat running down his glistening torso had words flowing quicker than I was able to write them. He was my inspiration, my muse, my next book alpha male. My plan was working. The words were flowing, and they were magnificent, by far my best work to date. My editor was in love with the first half of my draft, my agent was using snippets of the first two chapters to secure big endorsement deals, and my publicist was talking about a new three book deal. Everything was perfect... until the bearded stranger spotted me spying on him.Adult content, sexual references, recommended for 18+ readers.

The tension between them is as thick as the walls of their houses are thin. Roman’s touch burned like fire even when his words were ice, and both of them will stop at nothing to make the others life hell. In the midst of the pranks and the hate they harbor for each other, Olivia slowly pulls back the layers of the man next door and finds herself consumed with wanting to fix him and his past. When both enemies start to catch feelings for each other, Olivia finds herself hiding her own secrets, not wanting to lose another man in her life. Lines are drawn. Strict rules put into place. But that doesn’t stop Olivia from wanting to save the quiet, broody man next door. They say you’re supposed to love thy neighbor, but that was the furthest emotion she felt when thinking about Roman. Hate was all there was to their relationship. At the very least, that’s what she tried to tell herself. Hate Thy Neighbor is a full length Enemies-to-Lovers standalone.

K. A. Tucker 2020-06-16 From the international bestselling author of The Simple Wild and Ten Tiny Breaths comes a new second-chance, hate-to-love romance. Scarlet Reed has returned to Polson Falls, convinced that twelve years away is long enough to shed her humiliating childhood identity as the town harlot's daughter. With a teaching job secured and an adorable fixer-upper to call home, things in her life are finally looking up. That is, until she finds out that Shane Beckett lives next door. Shane Beckett, the handsome and charismatic high school star quarterback who smashed her heart. The lying, cheating player who was supposed to be long gone, living the pro football dream and fooling women into thinking he's Prince Charming. Shane Beckett, who is as attractive as ever and flashing his dimples at her as if he has done no wrong. Scarlet makes it abundantly clear that old wounds have not been forgotten. Neighbors they may be, but friends they most certainly are not. She won't allow herself to fall for the single father and firefighter again, no matter how many apologies he offers, how many times he rushes to her aid, or how hard he makes her heart pound. But as she spends more time with him, she begins to fear that maybe she's wrong. Maybe Shane has changed. And maybe this time she's the one playing herself-out of a chance at true happiness.
