*EBOOK: Early Explorations in Science* Jane Johnston 2005-07-16 Reviewers’ comments on the first edition: “Jane Johnston communicates a sense of effervescent enthusiasm for teaching and science, and her treatment is comprehensive.” TES “The ideas and recommendations, based on considerable classroom experience, make this book a valuable aid to students and reflective early years practitioners.” Primary Science Review “At last! A serious attempt to explore the scientific potential of infant and pre-school children... The author explains how scientific skills can be developed at an early stage, stimulating the natural inquisitive streak in children. This book...will start you thinking about science in a much more positive light.” Child Education This accessible and practical book supports good scientific practice in the early years. It helps practitioners to be creative providers, and shows them how to develop awe and wonder of the world in the children they teach. The book highlights the importance of a motivating learning environment and skilled interaction with well-trained adults. In addition, fundamental issues are explored such as the range, nature and philosophical underpinning of early years experiences and the development of emergent scientific skills, understandings and attitudes. New features for this edition include: An extended age range encompassing early learning from 0 – 8 Updated material for the Foundation Stage Curriculum for 3 – 5-year-olds and the National Curriculum 2000 for 5 – 8-year-olds A new chapter focusing on conceptual understanding and thinking skills in the early years An emphasis on the importance of informal learning and play in early development The book introduces and discusses new research and thinking in early years and science education throughout, making it relevant for current practice. This is an indispensable resource for all trainee and practising primary school teachers and early years practitioners.

**Aunt Jane's Nieces in the Red Cross** L. Frank Baum 2016-01-19 Chapter I THE ARRIVAL OF THE BOY "What's the news, Uncle?" asked Miss Patricia Doyle, as she entered the cosy breakfast room of a suite of apartments in Willing Square. Even as she spoke she pecked a little kiss on the forehead of the chubby man addressed as "Uncle"--none other, if you please, than the famous and eccentric multi-millionaire known in Wall Street as John Merrick--and sat down to pour the coffee. There was energy in her method of doing this simple duty, an indication of suppressed vitality that conveyed the idea that here was a girl accustomed to action. And she fitted well into the homely scene: short and somewhat "squatty" of form, red-haired, freckle-faced and pug-nosed. Wholesome rather than beautiful was Patsy Doyle, but if you caught a glimpse of her dancing blue eyes you straightway forgot her lesser charms. Quite different was the girl who entered the room a few minutes later. Hers was a dark olive complexion, face of exquisite contour, great brown eyes with a wealth of hair to match them and the flush of a rose in her rounded cheeks. The poise of her girlish figure was gracious and dignified as the bearing of a queen. "Morning, Cousin Beth," said Patsy cheerily. "Good morning, my dear," and then, with a trace of anxiety in her tone: "What is the news, Uncle John?" The little man had ignored Patsy's first question, but now he answered absently, his eyes still fixed upon the newspaper: "Why, they're going to build another huge skyscraper on Broadway, at Eleventh, and I see the political pot is beginning to bubble all through the Bronx, although--" "Stuff and nonsense, Uncle!" exclaimed Patsy. "Beth asked for news, not for gossip."

*Shades of Milk and Honey* Mary Robinette Kowal 2010-08-03 The fantasy novel you've always wished Jane Austen had written Shades of Milk and Honey is exactly what we could expect from Jane Austen if she had been a fantasy writer: Pride and Prejudice meets Jonathan Strange & Mr. Norrell. It is an intimate portrait of a woman, Jane, and her quest for love in a world where the manipulation of glamour is considered an essential skill for a lady of quality. Jane and her sister Melody vie for the attentions of eligible men, and while Jane's skill with glamour is remarkable, it is her sister who is fair of face. When Jane realizes that one of Melody's suitors is set on taking advantage of her sister for the sake of her dowry, she pushes her skills to the limit of what her body can withstand in order to set things right-and, in the process, accidentally wanders into a love story of her own. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Aunt Jane's Nieces on Vacation** L. Frank Baum 2016-01-19 Chapter I THE HOBO AT CHAZY JUNCTION Mr. Judkins, the station agent at Chazy Junction, came out of his little house at daybreak, shivered a bit in the chill morning air and gave an involuntary start as he saw a private car on the sidetrack. There were two private cars, to be exact--a sleeper and a baggage car--and Mr. Judkins knew the three o'clock train must have left them as it passed through. "Ah," said he aloud; "the nabobs hev arrove." "Who are the nabobs?" asked a quiet voice beside him. Again Mr. Judkins started; he even stepped back a pace to get a better view of the stranger, who had approached so stealthily through the dim light that the agent was unaware of his existence until he spoke. "Who be you?" he demanded, eyeing the man suspiciously. "Never mind who I am," retorted the other in a grumpy tone; "the original question is 'who are the nabobs?'" "See here, young feller; this ain't no place fer tramps," observed Mr. Judkins, frowning with evident displeasure; "Chazy Junction's got all it kin do to support its reg'lar inhabitants. You'll hev to move on." The stranger sat down on a baggage truck and eyed the private car reflectively. He wore a rough gray suit, baggy and threadbare, a flannel shirt with an old black tie carelessly knotted at the collar, a brown felt hat with several holes in the crown, and coarse cowhide shoes that had arrived at the last stages of usefulness. You would judge him to be from twenty-five to thirty years of age; you would note that his face was browned from exposure, that it was rather set and expressionless but in no way repulsive. His eyes, dark and retrospective, were his most redeeming feature, yet betrayed little of their owner's character. Mr. Judkins could make nothing of the fellow, beyond the fact that he was doubtless a "tramp" and on that account most unwelcome in this retired neighborhood.

*The Adventures Of Aunt Jane's Nieces* L. Frank Baum 2014-03-31 Aside from the Oz books and all the other fairy tales, there is a long list of series books for older boys and girls--perhaps in the twelve to fifteen age group--that came from Baum's pen. These books were almost always published under one of several pseudonyms, and from 1906 to 1919, at least one additional title appeared in each current series every year. Baum adopted a woman's name for his stories for girls; this is one of the series for which he used the pseudonym Edith Van Dyne. The first volume, Aunt Jane's Nieces, appeared in 1906, and the interested reader can follow the adventures of the heroines through the nine volumes that followed. This edition contains all nine volumes of the Aunt Jane books on more than 2000 pages.
