Frank Baum 2014-03-31 Aside from the Oz books and all the other fairy tales, there is a long list of series books for older boys and girls—perhaps in the twelve to fifteen age group—that came from Baum's pen. These books were almost always published under one of several pseudonyms, and from 1906 to 1919, at least one additional title appeared in each current series every year. Baum adopted a woman's name for his stories for girls; this is one of the series for which he used the pseudonym Edith Van Dyne. The first volume, *Aunt Jane's Nieces*, appeared in 1906, and the interested reader can follow the adventures of the heroines through the nine volumes that followed. This edition contains all nine volumes of the Aunt Jane books on more than 2000 pages.

The Glass Books of the Dream Eaters

Gordon Dahlquist 2006-08-29 Blending science fiction and dark fantasy, this

monumental Victorian thriller is a dazzling feast for the senses: an action-packed roller-coaster ride of suspense, betrayal, and richly fevered dreams. It starts with a simple note. Roger Bascombe regrettably wishes to inform Celeste Temple that their engagement is forthwith terminated. Determined to find out why, Miss Temple takes the first step in a journey that will propel her into a dizzyingly seductive, utterly shocking world beyond her imagining. Nothing could have prepared Miss Temple for the things she would find behind the closed doors of forbidding Harschmort Manor: men and women in provocative disguise, acts of licentiousness and violence, heroism and awakening. But she will also find two allies: Cardinal Chang, a brutal assassin with the heart of a poet, and a royal doctor named Svenson, at once fumbling and heroic—both of whom, like her, lost someone at Harschmort

Manor. As the unlikely trio search for answers, hurtling them from elegant brothels to gaslit alleyways to shocking moments of self-discovery, they are confronted by puzzles within puzzles. And the closer they get to the truth, the more their lives are in danger. For the conspiracy they face—an astonishing alchemy of science, perverted religion, and lust for power—is so terrifying as to be beyond belief. Praise for *The Glass Books of the Dream Eaters* “The most original thing I’ve read in years: deftly executed, relentlessly inventive, and with a trio of the most unusual and engaging heroes who ever took on a sinister cabal out to rule the world by means of sex and dreams.”—Diana Gabaldon “A tale that combines swashbuckling adventure, a big dose of science fiction and burgeoning romance.”—USA Today “Rich . . . studded with treats . . . beautifully

written.”—Entertainment Weekly “Sweeping, highly original and absorbing . . . defies categorization.”—The Dallas Morning News

A Map of Glass Jane Urquhart 2010-10-22
Jane Urquhart's stunning new novel weaves two parallel stories, one set in contemporary Toronto and Prince Edward County, Ontario, the other in the nineteenth century on the northern shores of Lake Ontario. Sylvia Bradley was rescued from her parents' house by a doctor attracted to and challenged by her withdrawn ways. Their subsequent marriage has nourished her, but ultimately her husband's care has formed a kind of prison. When she meets Andrew Woodman, a historical geographer, her world changes. A year after Andrew's death, Sylvia makes an unlikely connection with Jerome McNaughton, a young Toronto artist whose discovery of Andrew's body on a small island at the mouth of the St. Lawrence River unlocks a secret in his own past. After Sylvia finds Jerome in Toronto, she shares with him the story of her

unusual childhood and of her devastating and ecstatic affair with Andrew, a man whose life was irrevocably affected by the decisions of the past. At the breathtaking centre of the novel is the compelling tale of Andrew's forebears. We meet his great-great-grandfather, Joseph Woodman, whose ambitions brought him from England to the northeastern shores of Lake Ontario, during the days of the flourishing timber and shipbuilding industries; Joseph's practical, independent and isolated daughter, Annabel; and his son, Branwell, an innkeeper and a painter. It is Branwell's eventual liaison with an orphaned French-Canadian woman that begins the family's new generation and sets the stage for future events. A novel about loss and the transitory nature of place, *A Map of Glass* is vivid with evocative prose and haunting imagery — a lake of light on a wooden table; a hotel gradually buried by sand; a

fully clothed man frozen in an iceberg; a blind woman tracing her fingers over a tactile map. Containing all of the elements for which Jane Urquhart's writing is celebrated, it stands as her richest, most accomplished novel to date.

Preserving Peaches Pamela Burford

2021-07-09 Just when it looks like Death Diva Jane Delaney's dormant love life is finally poised to take off, the romantic moment is interrupted by notoriously caustic advice columnist Gertrude "Peaches" Gillespey—or more accurately, by the discovery of Peaches's mummified corpse. The victim made plenty of enemies with her lacerating wit, so there's no shortage of suspects. And when her shocking secrets come to light, the question becomes: Who didn't want Peaches dead? As if that's not enough, Jane must cope with a second suspicious death, a vexing love triangle, a dirty mayoral election, and the

victim's missing collection of peach-shaped knickknacks. Not to mention a hair-raising online date with a possible homicidal maniac. Thank goodness for Jane's loyal sidekick, Sexy Beast. There's nothing like a high-strung, seven-pound poodle to help you solve your mummy issues.

The Silent Corner Dean Koontz

2017-06-20 THE FIRST NOVEL IN THE NEW YORK TIMES BESTSELLING JANE HAWK SERIES Meet Jane Hawk—a remarkable new heroine certain to become an icon of suspense. “This gripping thriller grabs readers from the first few pages and sweeps them along to the rousing finale.”—Booklist “I very much need to be dead.” These are the chilling words left behind by a man who had everything to live for—but took his own life. In the aftermath, his widow, Jane Hawk, does what all her grief, fear, and fury demand: find the truth, no matter what. People of talent and accomplishment, people admired and happy and sound of mind, have been committing suicide in surprising numbers. When Jane seeks to learn why, she becomes the most-wanted fugitive in America. Her powerful enemies are protecting a secret so

important—so terrifying—that they will exterminate anyone in their way. But all their power and viciousness may not be enough to stop a woman as clever as they are cold-blooded, as relentless as they are ruthless—and who is driven by a righteous rage they can never comprehend. Because it is born of love. Don't miss any of Dean Koontz's gripping Jane Hawk thrillers: THE SILENT CORNER • THE WHISPERING ROOM • THE CROOKED STAIRCASE • THE FORBIDDEN DOOR • THE NIGHT WINDOW Praise for The Silent Corner "Gripping . . . The paranoia and mystery increase as the story unfolds. . . . Koontz has created [a] wonderful character in Jane Hawk. . . . Koontz rocks it again."—Associated Press "In this era of stingy text-message prose, Mr. Koontz is practically Shakespeare. . . . The Silent Corner brims with both action and emotion."—Pittsburgh Post-Gazette "The

Silent Corner is vintage Dean Koontz: paranoia-fueled suspense . . . sleek and highly realized action, developed characters, and more twists and turns than any two ordinary novels combined. . . . As relevant to current events as it is audacious . . . amongst Dean Koontz's finest contemporary work."—Mystery Scene "A proven specialist in action scenes, Koontz pulls off some doozies here. . . . The book is full of neat touches. . . . And the prose, as always in a Koontz novel, is first-rate. Perhaps Koontz's leanest, meanest thriller, this initial entry in a new series introduces a smart, appealing heroine who can outthink as well as outshoot the baddest of bad dudes."—Kirkus Reviews (starred review)

EBOOK: International Perspectives on Early Childhood Education and Care Jan Georgeson 2013-02-16 There is a growing interest in understanding how early years care and education is organised and experienced internationally. This book examines key influential approaches to

early years care as well as some less well-known systems from around the world. In particular the book aims to: Inform those studying early years about perspectives in other countries Encourage critical thinking about issues, influences and the complexities of early years provision around the world Promote critical reflection on students' own provision and the current context of that provision Each chapter provides an overview of early years provision and explores historical and current influences in context, as well as offering insights into daily life through short vignettes, longer case studies and commentary from practitioners. Whilst many approaches - such as Reggio Emilia, Te Whariki and Head Start - are widely admired, it is important for reflective practitioners to understand the motivation which gave rise to these influential approaches in their original context.

Additionally, broadening understanding through information on less widely known systems, the book provides students with a good grounding in the international context of early years, the provenance of different early years approaches and principles, and the influences on their own countries' provision. Written in a straightforward and accessible style, the book is designed to meet the needs of students studying modules related to international perspectives on a range of foundation, bachelor and master's degrees in early years. Contributors: Verity Campbell-Barr, Federica Caruso, Carmen Dalli, Rebecca Carter Dillon, Annie Davy, Chandrika Devarakonda, Alena Drzalová, Hasina Banu Ebrahim, Susan Edwards, Dora Ho, Valerie Huggins, Anne Hunt, Kerstin Kööp, Éva Kovácsné Bakoski, Caroline Leeson, Beth Marshall, Nancy McDermott, Julia Morgan, Joce Nutall, Elin Eriksen Ødegaard, Philip

Rick Stein's Seafood Lovers' Guide Rick Stein 2019-06-06 Rick (and Chalky his trusty dog) discover great seafood dishes and small delicacies amongst the tidal estuaries, shingle banks and rocky shores of Britain. Rick travels from the bleak Suffolk coast where fishermen scrape a living catching cod to the wild, clear waters

of Scotland's lochs bringing back an abundance of stories and imaginative, colourful recipes. The book is organised geographically with each chapter covering one of the regions featured in the BBC series. Rick describes the fish-catching and fish-eating traditions of each area as well as details of the local life, legends and literature. He singles out local delicacies and includes six to eight fish and seafood recipes per chapter. Each chapter is illustrated with stunning food and landscape photography and ends with an area map and a guide to a small selection of the best hotels, restaurants, pubs and specialist suppliers (including information on extra locations, not featured in the series). 'Just as I do in the restaurant to keep ahead of the game, I look for the best suppliers, the freshest fish and who catches them. In a way, this is what this series is about, the fish I love, for all sorts of

reasons, not just taste or fashion, where they come from and the people who catch them and the best way to cook them. As a result of looking around the country for the best seafood, it's turned out to be a love affair with the changing coastline of Great Britain and Ireland and the business of going to sea in small boats to catch the freshest prime fish we have.' Rick Stein

Aunt Jane's Nieces on Vacation L. Frank Baum 2016-01-19 Chapter I THE HOBO AT CHAZY JUNCTION Mr. Judkins, the station agent at Chazy Junction, came out of his little house at daybreak, shivered a bit in the chill morning air and gave an involuntary start as he saw a private car on the sidetrack. There were two private cars, to be exact--a sleeper and a baggage car--and Mr. Judkins knew the three o'clock train must have left them as it passed through. "Ah," said he aloud; "the nabobs hev arrove." "Who are the nabobs?" asked a quiet voice beside him. Again Mr. Judkins started; he even stepped back a pace to get a better view of the stranger, who had

approached so stealthily through the dim light that the agent was unaware of his existence until he spoke. "Who be you?" he demanded, eyeing the man suspiciously. "Never mind who I am," retorted the other in a grumpy tone; "the original question is 'who are the nabobs?'" "See here, young feller; this ain't no place fer tramps," observed Mr. Judkins, frowning with evident displeasure; "Chazy Junction's got all it kin do to support its reg'lar inhabitants. You'll hev to move on." The stranger sat down on a baggage truck and eyed the private car reflectively. He wore a rough gray suit, baggy and threadbare, a flannel shirt with an old black tie carelessly knotted at the collar, a brown felt hat with several holes in the crown, and coarse cowhide shoes that had arrived at the last stages of usefulness. You would judge him to be from twenty-five to thirty years of age; you would note that his face was browned

from exposure, that it was rather set and expressionless but in no way repulsive. His eyes, dark and retrospective, were his most redeeming feature, yet betrayed little of their owner's character. Mr. Judkins could make nothing of the fellow, beyond the fact that he was doubtless a "tramp" and on that account most unwelcome in this retired neighborhood.

manner of flirting, and unheard-of liberties for womankind. The only thing Jane appears to have in common with Courtney is a love for the novels of Jane Austen. But are the wise words of her favourite novelist enough to guide her through this bewildering new world? And what is she to make of Courtney's attentive friend Wes, who is as attractive and confusing as the man who broke her heart back home? As Courtney's romantic entanglements become her own, Jane wonders: Would she actually be better off back in Regency England - and will she ever be able to return?

Never Enough Love John Lazano
2018-05-25 Where "Catch me if you Can" meets "The Wolf of Wall Street" on the ocean NEVER ENOUGH LOVE is the fascinating story of John Lazano, who grew

up in a traditional New York Italian Catholic family, joined the Navy, married a prostitute, accidentally made a nuclear submarine go in the wrong direction, dated a famous actress, sailed on over 350 cruises around the world, and lived multiple lives. They say real life is better than fiction and that is definitely true here. John's story spans a 54-year period that takes readers on an adrenalin rush with each new adventure as they accompany him from an innocent beginning to creating a dream job where he was able to circumnavigate the globe, make millions of dollars, have affairs with more than 400 women and then in a twist of fate, lose it all. Tragically losing his best friend at an early age had a profound impact on John causing him to live a life with no boundaries. This event set the stage for the stark realization; you only get one round and that none of this is a dress rehearsal. When your number is up, it's up.

John paid a heavy price for living a life like this and so did everyone else.

Sister Light, Sister Dark Jane Yolen

2016-04-05 A warrior woman and her dark twin are destined to remake the world in this “powerful” tale, the first in a trilogy by a World Fantasy Award winner (Newsweek). Legend foretold the child named Jenna, who was three-times orphaned before she could crawl, a fate that would leave her in the hands of women who worshipped the benevolent goddess Great Alta. In this world without men, Jenna comes of age, learning quickly the skills of close combat. But her most powerful gift lies elsewhere: a mirror sister who emerges only in the darkness—a twin named Skada—and shares the soul of the young, white-haired warrior who might well be the goddess reborn. But if Jenna is, in truth, the one whose coming is awaited, there is cause for great alarm among those who rule

the Dales, for the prophecy speaks of upheaval and change, and a devastating end of all things. An incomparable world-builder and one of America's premier fantasists, the remarkable Jane Yolen begins a three-part saga as inventive, intelligent, and exciting as anything that has ever been produced in the literature of the fantastic. Brilliantly contrasting the "true" story of Jenna with the later myths, poetry, and so-called scholarship that her coming engendered, Yolen creates a culture as richly imagined as those found in the acclaimed novels of Ursula K. Le Guin. A truly magnificent work, *Sister Light, Sister Dark* takes fantasy fiction to wondrous places it has never gone before.

prove her right: that things like magic and cinematic love stories don't exist, and the only smart way to go through life is alone. She can't imagine how waiting tables at a 24-hour pancake diner and moving in with too many weird roommates could possibly change that. And there's certainly no chance of her subway commute being anything more than a daily trudge through boredom and electrical failures. But then, there's this gorgeous girl on the train. Jane. Dazzling, charming, mysterious, impossible Jane. Jane with her rough edges and swoopy hair and soft smile, showing up in a leather jacket to save August's day when she needed it most. August's subway crush becomes the best part of her day, but pretty soon, she discovers there's one big
