is a seasoned, highly rated PMP Exam preparation course instructor and Subject Matter Expert (SME) to the Project Management Body of Knowledge (PMBOK) 5th & 6th Editions. He keeps developing new questions to make the PMP practice tests as realistic as possible. This 4th edition of the Kindle book contains these high-quality simulated online tests based on the latest changes to the PMP exam. Content Details The book provides various tips and guidelines to prepare and pass the PMP exam on the first try. It has three full-length PMP sample tests (a total of 540 questions) with answers and detailed explanations of why the correct choice is the best answer. Each 180-questions test not only helps you build the stamina for the real exam but also provides a realistic assessment of your preparation. Each explanation cites the PMI reference material and page number for further review. About 60% of the questions are scenario-

based to help you grasp the real-life application. The remaining questions will challenge you to test your understanding of the PMBOK concepts. Almost half of the questions are process flow questions to test how project processes are sequenced and performed. PMP(R) Questions, Answers and Explanations

Updated for 2020-2021 Exam Darron Clark
2020-06-18 Conquer the question asked 80-85% of the time: As a project manager, what would you do next? The PMP(R) Questions, Answers and Explanations Updated for 2020-2021 Exam is a comprehensive study resource for any professional preparing for the 2020 PMP exam. Although the PMP exam is notoriously difficult to pass, this guide includes two complete mock exams and is designed to give test takers the best possible chance of passing the PMP on their first attempt. Author and PMP expert Darron Clark utilizes real-world examples of projects to prepare you not only for the exam, but for your career. If you're only going to utilize one study resource, this comprehensive aid is the one to acquire. This thorough and up-to-date preparation aid includes: Tips and tricks for passing on your first attempt that you won't find in any other PMP study resource Comprehensive practice exams and refresher sections of all the main topics to be tested on the exam, including: People, Business,

and Process Three full-length, 4-hour Mock Exams with over 200 questions (and solutions) each Over 800 Total Exam Questions Information on the PMP Exam process itself, its format, and what to expect on exam day Glossary of terms and definitions for easy and quick review Index to efficiently find the topics you're currently focusing on Praise & Reviews "This guide is a godsend to anyone who wants to pass the PMP exam. I've actually taken the course and quite frankly, the author is correct in stating that the exam is more about measuring whether or not the candidate understands the terminology as opposed to whether or not the individual is a proficient project manager. I plan on taking the exam at the end of the year. I will definitely use PMP(R) Questions, Answers and Explanations Updated for 2020-2021 Exam as my "go to" study guide. Thank you for making the information available." - J.L.,  "This book was extremely useful and helpful. I feel much more prepared for the exam and I have a good idea of the kinds of questions that I will be asked now. I didn't try to memorize questions and answers, there are too many, but it did give me a great peek at what I need to study." - R.S.,  About the Author As a certified Project Management Professional and recognized database and infrastructure expert, Darron Clark has over three decades of experience in implementing creative solutions and optimizing system performance for nationally-

known organizations. In addition to Darron's technological savvy, he is a skilled teacher, coach, and presenter, and has developed and led numerous training seminars and workshops. Darron has earned degrees and certificates in PMP, EMBA, BSCS, and BSEET.

Pmp Exam Prep Over 600 Practice Questions
Andrew Ramdayal 2018-05-14 Passing the exam
is no easy task, no matter how many books or
videos you study. You will need to take exam like
questions in order to be prepared for the real test.
This book will give you the exam like experience
you need in order to pass the actual exam on
your first try. Almost all PMP exam questions are
scenarios, which will test your ability to choose
the best answer. The questions in this book are
mostly scenarios and are formatted just like the
actual exam. They will test your skills and
knowledge of selecting the best answer. All
questions comes with a detail explanations of why
a choice was correct and why the others were
wrong.

PMBOK Guide and PMP Exam Prep Book

2018-2019 Robert P. Nathan 2018-07-14

PROJECT MANAGERS: Are you ready to increase your marketability, network with other project managers, and improve your abilities to lead a project? Become a certified PMP with my efficient, easy-to-follow study guide book, PMBOK® Guide and PMP® Exam Prep Book 2018-2019: Study Guide on the Project Management Body of Knowledge with Practice Test Questions for the Project Management Professional Exam by Robert P. Nathan! As any project manager will tell you, time is the most valuable commodity in a project. Updated in line with the PMBOK Sixth Edition, my PMBOK Guide and PMP Exam Prep Book 2018-2019 is designed to make the most of the time you spend preparing for the exam. Rather than being hundreds of pages too long, the following chapters have gone through multiple stages of revision to include only those things that you need to know. The chapters have been designed to be readable, as well as to be easy to scan if you are flipping through. The structure of my book is based on project management's five major process groups: Chapter One: Initiation Chapter Two: Planning Chapter Three: Executing Chapter Four: Monitoring and Controlling Chapter Five: Closing Every chapter covers vital information on project management's ten knowledge areas:

communication management, cost management, human resources management, integration management, procurement management, quality management, risk management, scope management, stakeholder management, and time management. Inputs, tools, techniques, and outputs (ITTOs) are organically written into the main text to show how they all fit together. The exam will test your understanding of best practices not memorization of lists. Included with every copy of my study guide is: Ten practice exam questions at the end of each chapter with

answers and explanations A full two-hundred question practice exam with answers and explanations A full glossary of all tested terms Access to a FREE app with online flashcards of all tested terms Please note that PMBOK® is a registered trademark of PMI. PMI does not sponsor or endorse this book.
