A Field Guide to White Supremacy Kathleen Belew 2021-10-26 Drawing explicit lines, across time and a broad spectrum of violent acts, to provide the definitive field guide for understanding and opposing white supremacy in America Hate, racial violence, exclusion, and racist laws receive breathless media coverage, but such attention focuses on distinct events
that gain our attention for twenty-four hours. The events are presented as episodic one-offs, unfortunate but uncanny exceptions perpetrated by lone wolves, extremists, or individuals suffering from mental illness—and then the news cycle moves on. If we turn to scholars and historians for background and answers, we often find their knowledge siloed in distinct academic subfields, rarely connecting current events with legal histories, nativist insurgencies, or centuries of misogynist, anti-Black, anti-Latino, anti-Asian, and xenophobic violence. But recent hateful actions are deeply connected to the past—joined not only by common perpetrators, but by the vast complex of systems, histories, ideologies, and personal beliefs that comprise white supremacy in the United States. Gathering together a cohort of researchers and writers, A Field Guide to White Supremacy provides much-needed connections between violence present and past. This book illuminates the career of white supremacist and patriarchal violence in the United States, ranging across time and impacted groups in order to provide a working volume for those who wish to recognize, understand, name, and oppose that violence. The Field Guide is meant as an urgent resource for journalists, activists, policymakers, and citizens, illuminating common threads in white supremacist actions at every scale, from hate crimes and mass attacks to policy and law. Covering immigration, antisemitism, gendered violence, lynching, and organized domestic terrorism, the authors reveal white supremacy as a motivating force in manifold parts of American life. The book also offers a sampling of some of the most recent scholarship in this area in order to spark broader conversations between journalists and their readers, teachers and their students, and activists and their communities. A Field Guide to White Supremacy will be an indispensable resource in paving the way for politics of alliance in resistance and renewal. Pokémon Omega Ruby & Alpha Sapphire - Strategy Guide GamerGuides.com 2015-10-22 Relive your adventures in Hoenn or start a brand new journey with this re-imagining of a much-loved game. Collect and battle your way to the Pokemon League for the right to challenge the Elite Four. **The Book Woman of Troublesome Creek** Kim Michele Richardson 2019-05-07
RECOMMENDED BY DOLLY PARTON IN PEOPLE MAGAZINE! A NEW YORK TIMES BESTSELLER A USA TODAY BESTSELLER A LOS ANGELES TIMES BESTSELLER A PBS BOOK PICK The bestselling historical fiction novel from Kim Michele Richardson, this is a novel following Cussy Mary, a packhorse librarian and her quest to bring books to the Appalachian community she loves, perfect for readers of William Kent Kreuger and Lisa Wingate. The perfect addition to your next book club! The hardscrabble folks of Troublesome Creek have to scrap for everything—everything except books, that is. Thanks to Roosevelt's Kentucky Pack Horse Library Project, Troublesome's got its very own traveling librarian, Cussy Mary Carter. Cussy's not only a book woman, however, she's also the last of her kind, her skin a shade of blue unlike most anyone else. Not everyone is keen on Cussy's family or the Library Project, and a Blue is often blamed for any whiff of trouble. If Cussy wants to bring the joy of books to the hill folks, she's going to have to confront prejudice as old as the Appalachias and suspicion as deep as the holler. Inspired by the true blue-skinned people of Kentucky and the brave and dedicated Kentucky Pack Horse library service of the 1930s, The Book Woman of Troublesome Creek is a story of raw courage, fierce strength, and one woman's belief that books can carry us anywhere—even back home. Look for The Book Woman's Daughter, the next novel from Kim Michele Richardson coming in May 2022. Other Bestselling Historical Fiction from Sourcebooks Landmark: The Mystery of Mrs. Christie by Marie Benedict The Engineer's Wife by Tracey Enerson Wood Sold on a Monday by Kristina McMorris
