Resources in Education 1988

Los Angeles Magazine 2003-11 Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

Principles of Marketing
Gary M. Armstrong 2018
An introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. Principles of Marketing keeps pace with a rapidly changing field, focusing on the ways brands create and capture consumer value. Practical content and linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest edition enhances understanding with a unique learning design including revised, integrative concept maps at the start of each chapter, end-of-chapter features summarising ideas and themes, a mix of mini and major case studies to illuminate concepts, and critical thinking exercises for applying skills.

Management Research Methodology K. N. Krishnaswamy 2009

The subject of management research methodology is enthralling and complex. A student or a practitioner of management research is beguiled by uncertainties in the search and identification of the research problem, intrigued by the ramifications of research design, and confounded by obstacles in obtaining accurate data and complexities of data analysis.

Management Research Methodology: Integration of Principles, Methods and Techniques seeks a balanced treatment of all these aspects and blends problem-solving techniques, creativity aspects, mathematical modelling and
qualitative approaches in order to present the subject of Management Research Methodology in a lucid and easily understandable way.

Major Principles of Media Law, 2015 Genelle Belmas 2014-08-04 MAJOR PRINCIPLES OF MEDIA LAW is a comprehensive and current summary of media law. The text is revised every year to include the most recent developments in communication law through the end of the Supreme Court's term.

Each August, a new edition is available for fall classes, with recent developments through July 1 fully integrated into the text, not added as an appendix or separate supplement. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
