Comprehending as skillfully as another more even more than likely gain you to pay for each success. boiling in the message as without difficulty as effortlessly of this Prodigy Legend 2 Marie Lu can take on as capably as picked to as.

Legend Marie Lu 2014-6-6 "Legend doesn't merely survive the fire, it becomes the legend. From the New York Times bestselling author of The Young Elites. When the world was one nation, the Republic— born in chaos, forged in war, and now the most powerful nation on earth—still perpetually at war with its neighbors. Born into an elite family in one of the Republic's wealthiest districts, fifteen-year-old June is a prodigy being groomed for success in the Republic's highest military circles. Born into the slums, fifteen-year-old Day is the country's most wanted criminal. But his motives may not be as malicious as they seem. From very different worlds, June and Day have no reason to cross paths— until the day June's brother, Legend, is accused of a crime so heinous that it enters June's heart, her mind, her blood. Then the two are forced to cross paths, and all of the Republic's secrets come to light.

You've been in and out of my dreams, and I can't get you out of my mind. I'm not just passing through. I'm drawn to you. And you're haunting me. I can't shake you. I can't stop thinking about you. I need you.

As June and Day arrive in Vegas just as the unthinkable happens, they realize: Our world is under attack. The Republic's plans for their victory have been leaked to the enemy, and June and Day must race to stop their own looming defeat. With the fate of the Republic in their hands, June and Day must outwit Legend, the country's most notorious criminal, escape his execution, aid the rebellious patriots in a staged uprising and turn their back on the Republic. But June has no idea that the rebellion is merely the beginning of the end. The Republic always wins. Until now.

For June, this is a battle of wits and a struggle for survival. It's a war of the mind, not just of the body. But for Day, this is his last chance to save the life he's always wanted: the life of a free man. He must lead the rebellion, bring down the Republic, and save the one thing he's ever truly loved: June.

As June and Day race to save the Republic, they find themselves on opposite sides of a war they never wanted to fight. June is constantly entering the Republic's darkest secrets, and her mission is to find the truth that will free her brother. Day is constantly entering the Republic's darkest minds, and his mission is to destroy the truth that will free his sister. As they fight against each other, June and Day realize that the Republic was never the only enemy they had to fight.

In the end, June and Day must decide whether they are willing to sacrifice the one thing they've always wanted: each other.

As the fate of the Realm hangs in the balance, Evangeline Fox and the Prince of Hearts must decide whether to run away or step into their fated role. As the price of their love is set, the fates of all the realms are at stake. Will Evangeline and her friends be able to defeat the evil that threatens to destroy the world? Join Evangeline and her friends on their journey to save the Realm from its darkest hour. The Shadow of Never After is a thrilling conclusion to the Once Upon a Broken Heart series, and a must-read for fans of fairy tales, fantasy, and romance.

Winter’s Passage

quelle: Excerpt from Winter Garden by Stephanie Garber. "The war between magic and science has entered a new phase, and the stakes have never been higher. Evangeline Fox, the Prince of Hearts, and their friends are fighting to save the Realm from the forces of darkness. As they race against time, they must confront their greatest fears and make a choice that will determine the fate of the world. The fate of Evangeline and her friends is in their hands, and the outcome will decide the future of the Realm. Will they succeed? Or will they be forced to make the ultimate sacrifice? Find out in Winter’s Passage, the electrifying conclusion to the Winter Garden series!"

Steve Holley

Steve Holley is the author of the New York Times bestselling young adult fantasy novel The Liar's War. His latest novel, The Shadow of Never After, is the long-awaited sequel to his debut novel Once Upon a Broken Heart. Holley's books have been praised for their intricate plotlines, rich world-building, and compelling characters, and he is known for his ability to craft stories that are both entertaining and thought-provoking. Holley lives in a small town in the Pacific Northwest with his wife and two children. He writes full-time and is currently working on his next novel. "I write books because I love creating worlds and characters that readers can get lost in," he says. "I hope my books will inspire people to think about the power of love and the importance of standing up for what you believe in."
