Presents a guide to the characters, missions, strategy, and accessories of the video game. **Fallout: New Vegas - Strategy Guide** GamerGuides.com 2015-11-07 The year is 2281 - two hundred years after the old world was eradicated by nuclear fire - and now the New California Republic has become powerful along the western coast of what used to be the United State of America. They've expanded east into Nevada, but across the Colorado river to the east a united army of tribals - Caesar's Legion - have been organized under the guise of ancient Rome. War never changes, and impending conflict looms between the two sides, the prize being the Hoover Dam and control over the Mojave. Stuck in the middle are the residents of Nevada and the jewel in the desert; the city of New Vegas. But the mysterious overlord of New Vegas has his own plans for the future of the Mojave... You are Courier six, an employee of the Mojave Express who has been entrusted with delivering a mysterious Platinum Chip. The delivery goes horribly awry, however, and after you are robbed and nearly killed for the package you were carrying, you must set out in pursuit of your attackers. Along the way you'll have to navigate the political struggles between factions both large and small, making friends and enemies between the various groups as your actions in the Mojave influence your reputation. Ultimately, a new overlord of the Mojave will be crowned... but will you place that crown upon the brow of Caesar, the New California Republic, the mysterious ruler of New Vegas... or yourself? This guide offers the following: - Character creation strategies including a run-down of SPECIAL attributes, Skills and Perks. - An ideal chronological order of events walkthrough that will take you through the entire Mojave. - Complete walkthrough of all the main quests and side quests, including faction quests and endings. - A power-gamey New Vegas Medical Center run, for those gamers who want to get off to a great start. - Information about factions and reputation. - The locations of stat-boosting Skill Books, unique weapons and armor and collectible Snowglobes. - A Trophy Guide including...
detailed information (when necessary) about how to obtain all the game's trophies.
- Old World Blues DLC.

**The Walkthrough** Doug Walsh 2019-05-16
The Walkthrough offers a rare peek behind the curtain of the secretive video game industry from an unlikely perspective, that of a career strategy guide writer. For eighteen years, Doug Walsh was one of the most prolific authors of officially licensed video game strategy guides. One part memoir and one part industry tell-all, The Walkthrough takes players on an entertaining march through gaming’s recent history, from the dawn of the PlayStation to the Xbox 360 and Nintendo Switch. Follow along as Walsh retraces his career and reveals how the books were made, what it was like writing guides to some of the industry’s most celebrated — and derided — titles, and why the biggest publishers of guidebooks are no longer around. Walsh devotes entire chapters to many of gaming’s most popular franchises, including Tony Hawk’s Pro Skater, Gears of War, and Diablo, among others. From inauspicious beginnings with Daikatana to authoring the books for the entire Bioshock trilogy, with plenty of highs, lows, and Warp Pipes along the way, Walsh delivers a rare treat to twenty-first century gamers. The Walkthrough is sure to satisfy the curiosity of anyone who grew up with the works of BradyGames and Prima Games sprawled across their laps. With over one hundred books to his credit, and countless weeks spent at many of the most famous studios in North America, he is uniquely qualified to give an insider’s perspective of a little-known niche within the multi-billion-dollar industry.
