edition, administered by the Project Management Institute (PMI). The revised and updated second edition of the best-selling CAPM in Depth has a laser-sharp focus on the exam objectives for project managers and others who want to pass the CAPM exam. No prior knowledge of project management is assumed. The chapters and the sections within each chapter are presented in a logical learning sequence. The concepts and topics, both simple and complex, are clearly explained when they appear for the first time. This facilitates step-wise learning, prevents confusion, and makes this book useful for those who want to get up to speed quickly to pass the CAPM exam, even if you are new to the discipline of project management. This book tells the story of project management in a cohesive, concise, yet comprehensive fashion. Unlike most CAPM exam books, this book is not just an exam-cram book. It is an easy-to-understand guide that is a valuable reference both before and after the exam. What you'll learn include:

- Project management theory, risk management, and the CAPM and PMP exams. Rita has over 14 years of exam preparation experience. The endless hours of ongoing research? The interviews with project managers who fail exams, to identify gaps in their knowledge? Or is it the razor-sharp focus on making sure project managers don't waste a single minute of their time studying any more than they absolutely have to? Actually, it's all of the above. Rita Mulcahy has helped tens of thousands of project managers become professionally certified. She is an internationally recognized expert on project management techniques, advanced project management theory, risk management, and the CAPM and PMP exams. Rita has over 14 years and US $2.5 billion worth of hands-on project experience, as well as over 30 best-selling project management resources to her credit. She speaks to thousands of executives and project managers each year, and has a reputation for helping people to learn and to have fun while doing it.
