**Dragon's Jaw** Stephen Coonts 2019-05-14 A riveting Vietnam War story--and one of the most dramatic in aviation history--told by a New York Times bestselling author and a prominent aviation historian Every war has its "bridge"--Old North Bridge at Concord, Burnside's Bridge at Antietam, the railway bridge over Burma's River Kwai, the bridge over Germany's Rhine River at Remagen, and the bridges over Korea's Toko Ri. In Vietnam it was the bridge at Thanh Hoa, called Dragon's Jaw. For seven long years hundreds of young US airmen flew sortie after sortie against North Vietnam's formidable and strategically important bridge, dodging a heavy concentration of anti-aircraft fire and enemy MiG planes. Many American airmen were shot down, killed, or captured and taken to the infamous "Hanoi Hilton" POW camp. But after each air attack, when the smoke cleared and the debris settled, the bridge stubbornly remained standing. For the North Vietnamese it became a symbol of their invincibility; for US war planners an obsession; for US airmen a testament to American mettle and valor. Using after-action reports, official records, and interviews with surviving pilots, as well as untapped Vietnamese sources, Dragon's Jaw chronicles American efforts to destroy the bridge, strike by bloody strike, putting readers into the cockpits, under fire. The story of the Dragon's Jaw is a story rich in bravery, courage, audacity, and sometimes luck, sometimes tragedy. The "bridge" story of Vietnam is an epic tale of war against a determined foe.

**Richmond Noir** Andrew Blossom 2010 These days, Richmond is a city of winter balls and garden parties on soft summer evenings, a city of private clubs where white-haired old gentlemen, with their martinis or mint juleps in hand, still genuflect in front of portraits of Robert E. Lee. But it's also a city of brutal crime scenes and drug corners. **Hav** Jan Morris 2011-08-30 A New York Review Books Original Hav is like no place on earth. Rumored to be the site of Troy, captured during the crusades and recaptured by Saladin, visited by Tolstoy, Hitler, Grace Kelly, and Princess Diana, this Mediterranean city-state is home to several architectural marvels and an annual rooftop race that is a feat of athleticism and insanity. As Jan Morris guides us through the corridors and quarters of Hav, we hear the mingling of Italian, Russian, and Arabic in its markets, delight in its famous snow raspberries, and meet the denizens of its casinos and cafés. When Morris published Last Letters from Hav in 1985, it was short-listed for the Booker Prize. Here it is joined by Hav of the Myrmidons, a sequel that brings the story up-to-date. Twenty-first-century Hav is nearly unrecognizable. Sanitized and monetized, it is ruled by a group of fanatics who have rewritten its history to reflect their own blinkered view of the past. Morris's only novel is dazzlingly sui-generis, part erudite travel memoir, part speculative fiction, part cautionary political tale. It transports the reader to an extraordinary place that never was, but could well be.

A unique account of AIG by one of the iconic business leaders of the twentieth century who developed close relationships with many of the most important world leaders of the period and helped to open markets everywhere Offers new critical perspective on battles with N. Y. Attorney General Eliot Spitzer and the 2008 U.S. government seizure of AIG amid the financial crisis Shares considerable information not previously made public The AIG Story captures an impressive saga in business history--one of innovation, vision and leadership at a company that was nearly--destroyed with a few strokes of governmental pens.
