Whole School News

Scholastic Book Club Issue No. 5 Several students have been enquiring about their orders from this issue, and after making a phone call to Scholastic on Tuesday I have it on good authority that the orders have been processed and are in transit. Their warehouse has had a backlog of orders to process but with a little luck they should

40 Graphic Organizers vF - Keansburg School District

"Try it Tanisha," I nudged. "It's about this boy whose grandfather is very ill." She interrupted, "My father died last summer." Tanisha looked at the book again. "Why can't it be about a girl?" she asked. But not waiting for my answer, she walked back to her desk, reading the back cover again.

Science Curriculum Grade 5

The statements represent the beliefs and values regarding our educational system. Education is the key to self-actualization, which is realized through achievement and self-respect. We believe our entire system must not only represent these values, but also demonstrate them in all that we do as a school system. We believe:

Measuring success: Evaluating educational programs

parameter is the program's sustainability index. Since Israel's education strategy currently leans towards site-based monitoring and evaluation, such a model can potentially be of great help to school management and staff. Key words: evaluation; site-based management; educational programs and projects; vision; policy;
