
Study Guide for Psychology in Everyday Life 2006 David G. Myers 2008 Zimring reveals that the seemingly insoluble turmoil surrounding the death penalty reflects a deep and long-standing division in American values—a division that he attributes to the thought, which had changed little since the Middle Ages. It had a profound influence on the development of criminal law in Europe and the United States.

Punishments and its Alternatives 1994 Johnny L. Matson

The dynamics of crime and punishment at the state and federal levels as well as summarizing how school corporal punishment is being used and what its potential implications are for thousands of individual students and for the society at large. As school corporal punishment is often perceived as a way to deal with the difficult behavior of students, there is a strong need for a comprehensive analysis of the issue.

The Heritage Guide to the Constitution 2006 David F. Forte

Strengthening Forensic Science in the United States National Research Council 2009 The essential guide for policymakers and advocates across the country as well as for researchers, scientist-practitioners, and forensic educators.

The Federalist Papers 1984 Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to explain the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States.

The Agnostic Journal and Eclectic Review 1877

The Courts, the Constitution, and Capital Punishment 2003 Zimring reveals that the seemingly insoluble turmoil surrounding the death penalty reflects a deep and long-standing division in American values—a division that he attributes to the thought, which had changed little since the Middle Ages. It had a profound influence on the development of criminal law in Europe and the United States.
