Kennedy Fox 2016-09-18 Travis King is the worst kind of asshole. He taunts me for being a good girl and mocks my high standards. He's cruel, crass, and has enough confidence to last two lifetimes. And I hate him. It wouldn't matter so much if he were avoidable. But considering he's my older brother's best friend and roommate, I see him more than I'd ever want to. His sculpted abs and gorgeous eyes are wasted on such an arrogant man, which makes me hate him even more.

Man in Love

I agreed to his terms and a new chapter in my life began. I was blinded by my love for him and thought nothing would ever change the way I felt. Then I uncovered the truth about him. About the kind of man he really was and the secrets he kept hidden. I never considered before. I should have known better than to trust a stranger. Especially one of his stature and class. Money means power and power means control. Over my heart. My career. My entire life. My dreams died the moment I trusted him.

Highly recommended!” — Colleen Coble, USA TODAY bestselling author of Secrets at Cedar Cabin and the Rock Harbor series “Cambron’s latest is one of her best. History. The castle ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle’s lady of legend, fighting for survival through the 1798 rebellion that started it all. Praise for Cambron’s The Rock Harbor Series: ‘I couldn’t put it down. It was like seeing two completely different eras come together: modern day Ireland and ancient times.
