Law enforcement Ray K. Robbins 1989-01-01 This book is a comprehensive resource for study of virtually all areas common to the day-to-day functions of peace officers. The material in these three volumes is designed and intended to complement performance objectives for the basic peace officer certification exams, and they provide a broad and thorough understanding of police officer competencies. The format makes them valuable as reference resources and for training purposes. The information is easy to understand and is the result of training academies and for self-education by officers. Written in nontechnical language, they address the peace officer as a responsible, thinking, influential individual who exercises important discretion, judgment, and decision-making in handling cases. The volumes cover a wide range of material including pertinent and current information. The glossary of relevant terms and concepts, a comprehensive index, and extensive reference materials make these books an invaluable resource for officers and training academies.
