Telstra Phone Manuals

You're looking at a Telstra Phone Manual. This manual can help you navigate the complexities of your phone system.

Regulatory Handbook: Financial Reporting and Disclosure in the definitive guide through the complexities of U.S. SEC filings. This is the first and only reference work that focuses exclusively on the unique accounting, financial reporting, and disclosure requirements of foreign entities issuing securities in the United States. Author Allan B. Abraham is a world-renowned authority on SEC accounting, disclosure, and auditing. He presents information in a
text-heavy style, with clear, precise directions on navigating U.S. SEC filing and reporting requirements. This work provides numerous examples used by non-U.S. companies for practitioners to use as models for their own reporting. These models are based on experience and a straightforward style that makes this an essential manual for anyone needing to make sense of and comply with U.S. accounting, financial reporting, and disclosure requirements.
