hostage: abducted from his home in Brooklyn, blindfolded and tied to a chair in a dark basement. His captors, an Arab and an Italian, don’t explain why the innocent Shabel has been chosen, just that his life will be battered for the freedom of three Palestinian prisoners. As his days of waiting commence, Shabel resorts to what he does best, telling stories—to himself and to any men who hold his life in their hands. With beauty and sensitivity, Wiesel builds the world of Shabel’s memories, haunted by the Holocaust and a Europe in the midst of radical change. A Communist brother, a childhood spent hiding from the Nats in a cellar, the kindling of liberating Russian soldiers, the unrest of the 1960s—all are the stories that unfold in Shabel’s captivity, as the outside world breathlessly follows his disappearance and the police move toward a final confrontation with his captors. Impassioned, provocative and insistently humane, Hostage is both a masterly thriller and a profoundly wise meditation on the power of memory to connect us to the past and shared need for resolution.

Night

House Carol Decker 2000 An intricate tapestry of loneliness, friendship, faithlessness, and betrayal weaves the stories of two boys—Nick Abbott and Trevor Downes—who lives became unexpectedly entangled during basketball season.

My Survival: A Girl on Shaladiw’s List

Asha M. Greene 2013-12-26 The astonishing true story of a girl who survived the Holocaust thanks to Oskar Schindler, of Schindler’s List fame. Rena Finder was only eleven when the Nats forced her and her family—all along with other young Jewish families—to into the ghetto in Krakow, Poland. Rena worked as a slave laborer with surgery any food and watched as friends and family were sent away. Then Rena and her mother ended up working for Oskar Schindler, a German businessman who employed Jewish prisoners in his factory and kept them fed and healthy. But Rena’s nightmares were over no, and her mother were deported to the concentration camp Auschwitz. With great running, it was Schindler who set out to help them escape. Here in her own work is Rena's gripping story of survival, perseverance, tragedy, and hope. Including pictures from Rena's personal collection and from the time period, this unforgettable memoir introduces young readers to an astounding and necessary piece of history.

Night

Elie Wiesel 2013-09-10 A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. Night is the terrifying record of Elie Wiesel’s memories of the death of his family, the death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel’s seminal work.

In the Middle of the Night

Robert Grossman 2013-03-15 Donny answered the phone. He was forbidden to ever answer the phone, but at 6, he figured his dad’s rule was just stupid. And Donny is soon plunged into a terrifying realm of revenge and madness for a horrific incident that happened 25 years before.

The Function of Madness in Elie Wiesel’s Novels

Neth 2007-06-06 Seminar paper from the year 2007 in the subject American Studies – Literature, grade: 1,0, University of Hamburg (Anglistik und Amerikanistik), course: Holocaust in American Art, 23 entries in the bibliography, language: English, abstract: My analysis in this paper will begin with a short description of Elie Wiesel’s life (since it is important to know about his influences, especially in his early works (later he tried to avoid autobiographical critics). According to Wiesel, he only writes as a witness and because he is a witness; that is why lots of autobiographical information can be found in his stories – even if it becomes less obvious in his later works. Wiesel’s main protagonists are mostly similar to the young Elie: they are making or have made dramatic experiences before, during, and after the Holocaust; they come from the same little town and live in the same places, such as Paris, New York, and the USA. The characters and the outcome of such story reveal Wiesel’s thoughts and opinions. In the second part of this paper, I will investigate Wiesel’s understanding of madness. This will clarify the importance of madness for Elie Wiesel and it will show that, for Wiesel, madness is much more than just a mental disorder in the common sense. Having given some insight into Wiesel’s past and his comprehension of madness, I will turn to the actual analysis of the four novels. I will examine the madness, madness, and other occurrences of madness in each novel, and interpret my results regarding their respective function. In my conclusion, I will show that there are several functions of madness in Wiesel’s novels he wants to show us in our unwise world, even if it sometimes seems like madness too, is important to survive and to overcome insanity.

Survivors, Victims, and Perpetrators

Elie Wiesel and the Art of Storytelling

Rosemary Horowitz 2014-11-05 Elie Wiesel is a master storyteller with the ability to use storytelling as a form of activism. From his early work in the 1950s to his recent memoir Night to his numerous retellings of Hasidic legends, Wiesel’s literature emphasizes storytelling, and he frequently refers to himself as a storyteller rather than an author or a historian. In this work, essays examine Wiesel’s work in Jewish storytelling traditions; influences from religious, folk, and secular sources; education, Yiddish background; Holocaust experience; and writing style. Emphasized throughout is Wiesel’s use of multiple sources in an effort to reach diverse audiences.

The Alpha and the Omega

Elie Wiesel 1982-01-14 A man seriously injured when hit by a car is taken to the hospital where a doctor, the woman who loves him, and his artist friend lead him to years for life rather than death.

Victims, Survivors, and Perpetrators

Franko L. Disters 2008-02-26 An exciting and thought-provoking study of forgiveness, justice, compassion, and human responsibility, featuring contributions from the Dalai Lama, Harry Wu, Cynthia Ozick, Primo Levi, and more. While imprisoned in a Nazi concentration camp, Simon Wiesenthal rebuilds his self-esteem, rebuilds his faith in mankind, and rebuilds his belief in the power of the human spirit.
