For any literature project, trust Novels for Students for all of your research needs.

Montana 1948 Larry Watson 2010-08-01 The tragic tale of a Montana family ripped apart by scandal and murder: “a significant and elegant addition to the fiction of the American West” (Washington Post). In the summer of 1948, twelve-year-old David Hayden witnessed and experienced a series of cataclysmic events that would forever change the way he saw his family. The Haydens had been pillars of their small Montana town: David’s father was the town sheriff; his uncle Frank was a war hero and respected doctor. But the family's solid foundation was suddenly shattered by a bombshell revelation. The Hayden’s Sioux housekeeper, Marie Little Soldier, tells them that Frank has been sexually assaulting his female Indian patients for years—and that she herself was his latest victim. As the tragic fallout unravels around David, he learns that truth is not what one believes it to be, that power is abused, and that sometimes one has to choose between loyalty and justice. Winner of the Milkweed National Fiction Prize.

Be the Change Linda Darling-Hammond 2016 Be the Change tells the remarkable story of an innovative public high school in East Palo Alto modeled after successful small schools in New York City. Guided by the expertise of
renowned educator Linda Darling-Hammond, it offers authentic and engaging instruction that has allowed students who start off far behind to graduate and go on to college in record numbers.

**Academic Writing in Context** Martin Hewings 2006-06-21

This volume explores a number of themes of current interest to those engaged in researching and teaching academic genres: the social and cultural context of academic writing; differences between the academic and non-academic text; the analysis of particular text types; variation within and across disciplines; and applications of theory in the teaching of writing. The contributors include many of today's most influential scholars in the area of academic literacy, working in a wide variety of tertiary academic contexts in Britain, Finland, Hong Kong, Zimbabwe, Australia and the United States. The implications will be of relevance to all those engaged in teaching academic writing to both native and non-native English speaking students in tertiary education around the world.

**My Survival: A Girl on Schindler's List** Joshua M. Greene 2019-12-26

The astonishing true story of a girl who survived the Holocaust thanks to Oskar Schindler, of Schindler's List fame. Rena Finder was only eleven when the Nazis forced her and her family -- along with all the other Jewish families -- into the ghetto in Krakow, Poland. Rena worked as a slave laborer with scarcely any food and watched as friends and family were sent away. Then Rena and her mother ended up working for Oskar Schindler, a German businessman who employed Jewish prisoners in his factory and kept them fed and healthy. But Rena's nightmares were not over. She and her mother were deported to the concentration camp Auschwitz. With great cunning, it was Schindler who set out to help them escape. Here in her own words is Rena's gripping story of survival, perseverance, tragedy, and hope. Including pictures from Rena's personal collection and from the time period, this unforgettable memoir introduces young readers to an astounding and necessary piece of history.

**Open Heart** Elie Wiesel 2012

In this unforgettable book, the award-winning writer, during his recovery after a life-threatening heart surgery, reflects on his many losses and accomplishments, and on all that remained to be done, sharing his aspirations for his writings and his hope that he made the world a better place.

**Elie Wiesel** Frederick L. Downing 2008

Elie Wiesel: A Religious Biography argues that Wiesel's religious faith is the driving force behind Wiesel's status as a moral authority 'that he is essentially a generative religious personality, a poet-prophet' who deepened his own particular Jewish vision to eventually become a "link" with humanity. As a religious genius and spiritual innovator of the post-modern era, Wiesel is a conflicted individual who joins his own personal and existential struggle for meaning and identity with the quest of the oppressed after the Holocaust.

**Legacy of Night** Ellen S. Fine 1983-06-01

Ellen Fine's book is full of original insights, beautifully written and structured. I could not put it down. It is a very important study." -- Rosette Lamont, Queens College and Graduate School, City University of New York "By treating Wiesel's novels as literary-spiritual stages in the development of Wiesel's larger experience, as a survivor-witness-writer, Dr. Fine's book takes on an inherently dramatic character which makes it alive and exciting as well as instructive." -- Terrence Des Pres, Colgate University "Fine clarifies Wiesel's intentions, especially illuminating the complex variations on the
themes of speech and silence, fathers and sons, escape and return--in short, the ideas around which Wiesel organizes his literary universe. No one has done this before so thoroughly." -- Lawrence Langer, Simmons College

The Holocaust Norman Goda 2016-11-03 The Holocaust: Europe, the World, and the Jews is a readable text for undergraduate students containing sufficient but manageable detail. The author provides a broad set of perspectives, while emphasizing the Holocaust as a catastrophe emerging from an international Jewish question. This text conveys a sense of the Holocaust's many moving parts. It is arranged chronologically and geographically to reflect how persecution, experience, and choices varied over different periods and places. Instructors may also take a thematic approach, as the chapters have distinct sections on such topics as German decisions, Jewish responses, bystander reactions, and other themes.

Night Elie Wiesel 2013-09-10 A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. Night is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work.

Encyclopedia of Case Study Research Albert J. Mills 2010 Case study research has a long history within the natural sciences, social sciences, and humanities, dating back to the early 1920's. At first it was a useful way for researchers to make valid inferences from events outside the laboratory in ways consistent with the rigorous practices of investigation inside the lab. Over time, case study approaches garnered interest in multiple disciplines as scholars studied phenomena in context. Despite widespread use, case study research has received little attention among the literature on research strategies. The Encyclopedia of Case Study Research provides a compendium on the important methodological issues in conducting case study research and explores both the strengths and weaknesses of different paradigmatic approaches. These two volumes focus on the distinctive characteristics of case study research and its place within and alongside other research methodologies. Key Features Presents a definition of case study research that can be used in different fields of study Describes case study as a research strategy rather than as a single tool for decision making and inquiry Guides rather than dictates, readers' understanding and applications of case study research Includes a critical summary in each entry, which raises additional matters for reflection Makes case study relevant to researchers at various stages of their careers, across philosophic divides, and throughout diverse disciplines Key Themes Academic Disciplines Case Study Research Design Conceptual Issues Data Analysis Data Collection Methodological Approaches Theoretical Traditions Theory Development and Contributions From Case Study Research Types of Case Study Research Student Companion to Elie Wiesel Sanford Sternlicht 2003 Introduces the life and work of Elie Wiesel, explores
his contributions in the field of literature, and analyzes his works.

Elie Wiesel and the Art of Storytelling Rosemary Horowitz 2006-10-30 Elie Wiesel is a master storyteller with the ability to use storytelling as a form of activism. From his landmark memoir Night to his novels and numerous retellings of Hasidic legends, Wiesel's literature emphasizes storytelling, and he frequently refers to himself as a storyteller rather than an author or historian. In this work, essays examine Wiesel's roots in Jewish storytelling traditions; influences from religious, folk, and secular sources; education; Yiddish background; Holocaust experience; and writing style. Emphasized throughout is Wiesel's use of multiple sources in an effort to reach diverse audiences.

Left to Tell Immaculee Ilibagiza 2014-04-07 Immaculee Ilibagiza grew up in a country she loved, surrounded by a family she cherished. But in 1994 her idyllic world was ripped apart as Rwanda descended into a bloody genocide. Immaculee's family was brutally murdered during a killing spree that lasted three months and claimed the lives of nearly a million Rwandans. Incredibly, Immaculee survived the slaughter. For 91 days, she and seven other women huddled silently together in the cramped bathroom of a local pastor while hundreds of machete-wielding killers hunted for them. It was during those endless hours of unspeakable terror that Immaculee discovered the power of prayer, eventually shedding her fear of death and forging a profound and lasting relationship with God. She emerged from her bathroom hideout having discovered the meaning of truly unconditional love—a love so strong she was able seek out and forgive her family's killers. The triumphant story of this remarkable young woman's journey through the darkness of genocide will inspire anyone whose life has been touched by fear, suffering, and loss.

Night Sparknotes Literature Guide Sparknotes 2014-01-30

The Girl in the Glass Jeffrey Ford 2009-10-06 The Great Depression has bound a nation in despair -- and only a privileged few have risen above it: the exorbitantly wealthy ... and the hucksters who feed upon them. Diego, a seventeen-year-old illegal Mexican immigrant, owes his salvation to master grifter Thomas Schell. Together with Schell's gruff and powerful partner, they sail comfortably through hard times, scamming New York's grieving rich with elaborate, ingeniously staged séances -- until an impossible occurrence changes everything. While "communing with spirits," Schell sees an image of a young girl in a pane of glass, silently entreating the con man for help. Though well aware that his otherworldly "powers" are a sham, Schell inexplicably offers his services to help find the lost child -- drawing Diego along with him into a tangled maze of deadly secrets and terrible experimentation. At once a hypnotically compelling mystery and a stunningly evocative portrait of Depression-era New York, The Girl in the Glass is a masterly literary adventure from a writer of exemplary vision and skill.

Elie Wiesel's Night Harold Bloom 2009-01-01 Discusses the characters, plot and writing of Night by Elie Wiesel. Includes critical essays on the novel and a brief biography of the author.

CliffsNotes on Wiesel's Night Maryam Riess 1996-09-05 The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. In CliffsNotes on
Night, you follow the humanistic first-person account of a teenage boy's incarceration by the Nazi Secret Service in World War II; his experiences in the Auschwitz and Buchenwald death camps; and his struggle to find meaning among the horror. Covering little more than a year of the young narrator's life, this study guide shares a story about endurance, loyalty, and faith—all nurtured by the strength of love. Other features that help you figure out this important work include Life and background of the author, Dr. Elie Wiesel A list of characters A historical timeline of Nazi Germany A review section that tests your knowledge and suggests essay topics A selected bibliography that leads you to more great resources Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.

In the Middle of the Night Robert Cormier 2013-03-19
Denny answered the phone. He was forbidden to ever answer the phone, but at 16, he figured his dad’s rule was just stupid. And Denny is soon plunged into a terrifying ordeal of revenge and madness for a horrific incident that happened 25 years before.

Elie Wiesel Linda N. Bayer 2015-12-15 A survivor of one of modern history’s most horrific events, Elie Wiesel has spent his life ensuring that the world never forgets the Holocaust. Sent to Auschwitz during World War II, young Elie was forced to live in profoundly inhumane conditions ruled by terrifying guards. Eventually liberated, Wiesel never shook the injustice of what happened to his family and 6 million other Jews. His training as a journalist enabled him to write the seminal book Night, a memoir of his experience at Auschwitz and Buchenwald concentration camps. Elie Wiesel traces the remarkable life of a tireless advocate for human rights.

Night Elie Wiesel 2021-09-29 "Wiesel's account of his time in concentration camps during the Holocaust with updated front and back matter to include speeches and essays commemorating his recent death"--

Transparent Teaching of Adolescents Mindy Keller-Kyriakides 2016-07-18 Transparent Teaching of Adolescents is a combination of philosophy, method, and application of research-based strategies that follow the progression of the school year. A global, collaborative effort, the dialogue between this teacher and her former students presents both the wholeness of teaching and a model of how to build rapport, engage high school students in their experience, and enrich their learning at the secondary level of education.

Greater Expectations Robin Turner 2008 Provides advice for high school English teachers on how to bridge the cultural gap between minority students and higher education by building a supportive classroom community, and offers lesson plans based on college-level skills.

Twilight Elie Wiesel 2013-02-12 Raphael Lipkin is a man obsessed. He hears voices. He talks to ghosts. He is spending the summer at the Mountain Clinic, a psychiatric hospital in upstate New York—not as a patient, but as a visiting professional with a secret, personal quest. A professor of literature and a Holocaust survivor, Raphael, having rebuilt his life since the war, sees it on the verge of coming apart once more. He longs to talk to Pedro, the man who rescued him as a fifteen-year-old orphan from postwar Poland and brought him to Paris, becoming his friend, mentor, hero,
and savior. But Pedro disappeared inside the prisons of Stalin’s Russia shortly after the war. Where is Pedro now, and how can Raphael discern what is true and what is false without him? A mysterious nighttime caller directs Raphael’s search to the Mountain Clinic, a unique asylum for patients whose delusions spring from the Bible. Amid patients calling themselves Adam, Cain, Abraham, Joseph, Jeremiah, and God, Raphael searches for Pedro’s truth and the meaning of his own survival in a novel that penetrated the mysteries of good, evil, and madness.

Witness Ariel Burger 2018 "In the vein of Tuesdays with Morrie, a devoted protæge and friend of one of the world’s great thinkers takes us into the sacred space of the classroom, showing Holocaust survivor and Nobel Peace Prize recipient Elie Wiesel not only as an extraordinary human being, but as a master teacher"--

The Function of Madness in Elie Wiesel’s Works

Kirsten Nath 2007-06-06 Seminar paper from the year 2007 in the subject American Studies - Literature, grade: 1,0, University of Hamburg (Anglistik und Amerikanistik), course: Holocaust in American Art, 23 entries in the bibliography, language: English, abstract: My analysis in this paper will begin with a short description of Elie Wiesel’s life since it plays an important role in most of his stories, especially in his early works (later he tried to avoid autobiographical similarities). According to Wiesel, he only writes as a witness and because he is a witness; that is why lots of autobiographical information can be found in his stories – even if it becomes less obvious in his later works. Wiesel’s main protagonists are mostly similar to the young Elie: they are making or have made comparable experiences before, during, and after the Holocaust; they come from the same little town and live in the same places, such as Paris, New York, and the USA. The characters and the outcome of each story reveal Wiesel’s thoughts and opinions. In the second part of this paper, I will investigate Wiesel’s understanding of madness. This will clarify the importance of madness for Elie Wiesel and it will show that, for Wiesel, madness is much more than just a mental disorder in the common sense. Having given some insight into Wiesel’s past and in his comprehension of madness, I will turn to the actual analysis of the four novels. I will examine the madmen, madwomen, and other occurrences of madness in each novel, and interpret my results regarding their respective function. In my conclusion, I will show that there are several functions of madness in Wiesel’s novels: he wants to show us that in our insane world faith, even if it sometimes seems like sheer madness too, is important to survive and to overcome insanity.

Term Paper Resource Guide to Twentieth-century World History

Michael D. Richards 2000 Organizes significant twentieth-century political, social, economic, and social events covered by world history curricula into chronological order, and suggests six term paper ideas for each event.

The Break of Noon

Dawn

Tim Lebbon 2007-03-27 Award-winning author Tim Lebbon takes fantasy to new heights in his thrilling new epic as unlikely allies struggle to keep the light of hope burning against a tide of unending darkness...
Noreela teeters on the brink of destruction, but at its center pulses a magic grown stronger than ever before. Now the Mages have raised an army of terrifying warriors and unstoppable war machines. Their goal: the annihilation of all Noreela through a reign of bloodshed and death unlike any ever imagined. But Noreela's last survivors will not go quietly into the never-ending darkness. One man will lead a desperate band of rebels, including a witch, a fledgling miner, and a dreaming librarian. For an ancient prophecy predicts that the future of magic will emerge in a child still unborn—if only our heroes can stay alive until dawn. From the Trade Paperback edition.

Living With Catherine McAuley Ulana M. Bochan 2010-09-17 This work is a novel approach to the charism of Catherine McAuley. It is an inspirational view of how a life can be influenced by a strong workable philosophy. It centers around the qualities of compassion and unconditional love. Although it has a pedagogical thrust, it is applicable to anyone pursuing a meaningful way of life. This reflective work can initiate a self-analysis which can prompt a clearer understanding of life's journey.

Teaching "Night" Facing History and Ourselves 2017-11-20 Teaching "Night" interweaves a literary analysis of Elie Wiesel's powerful and poignant memoir with an exploration of the relevant historical context that surrounded his experience during the Holocaust.

Night Hoops Carl Deuker 2000 An intricate tapestry of loneliness, friendship, faithlessness, and betrayal weaves the story of two boys--Nick Abbott and Trent Dawson--whose lives become unexpectedly entangled during basketball season.

The Accident Elie Wiesel 1982-01 A man seriously injured when hit by a car is taken to the hospital where a doctor, the woman who loves him, and his artist friend lead him to yearn for life rather than death.

The Sunflower Simon Wiesenthal 2008-12-18 A Holocaust survivor's surprising and thought-provoking study of forgiveness, justice, compassion, and human responsibility, featuring contributions from the Dalai Lama, Harry Wu, Cynthia Ozick, Primo Levi, and more. While imprisoned in a Nazi concentration camp, Simon Wiesenthal was taken one day from his work detail to the bedside of a dying member of the SS. Haunted by the crimes in which he had participated, the soldier wanted to confess to--and obtain absolution from--a Jew. Faced with the choice between compassion and justice, silence and truth, Wiesenthal said nothing. But even years after the way had ended, he wondered: Had he done the right thing? What would you have done in his place? In this important book, fifty-three distinguished men and women respond to Wiesenthal's questions. They are theologians, political leaders, writers, jurists, psychiatrists, human rights activists, Holocaust survivors, and victims of attempted genocides in Bosnia, Cambodia, China, and Tibet. Their responses, as varied as their experiences of the world, remind us that Wiesenthal's questions are not limited to events of the past.

"A "A Problem From Hell"" Samantha Power 2013-05-14 A character-driven study of some of the darkest moments in our national history, when America failed to prevent or stop 20th-century campaigns to exterminate Armenians, Jews, Cambodians, Iraqi Kurds, Bosnians, and Rwandans.

The Night Trilogy Elie Wiesel 2008-04-15 Three works
deal with a concentration camp survivor, a hostage holder in Palestine, and a recovering accident victim. Philological Papers West Virginia University 1947
