In general, the working papers follow the organization of the textbook. To maximize the use of space, however, the exercises occasionally appear out of order."—p.iii.

**FINANCIAL AND MANAGERIAL ACCOUNTING**

Financial Accounting Jay S. Rich 2021-01-01 Gain a clear understanding of the important relationships between accounting, financial statements and business decisions with Rich/James/Myers's FINANCIAL ACCOUNTING, 5E. This edition's proven approach is built around the way today's learners read and process principles. This edition helps you master the fundamentals of financial accounting more quickly and independently. You can focus on how accounting is used in the companies today. The authors illustrate each major concept using memorable examples from familiar organizations and conceptual insights that explain the reasons behind the processes. You watch leading companies, like Apple, Verizon or Google, use accounting information to make better decisions, as you learn how to read and interpret financial data yourself. This edition even provides links to helpful videos from the authors to reinforce concepts and further support your learning success. **Corporate Financial Reporting and Analysis**

David Young 2018-11-28 TRY (FREE for 14 days); OR BENT this title: www.wileyplus.com Corporate Financial Reporting Analysis combines comprehensive coverage and a rigorous approach to modern financial reporting with a readable and accessible style. Merging traditional principles of corporate finance and accepted reporting practices with current models enable the reader to develop essential interpretation and analysis skills, while the emphasis on real-world practicality and methodology provides seamless coverage of both GAAP and IFRS requirements for enhanced global relevance. Two decades of classroom testing among INSEAD MBA students has honed this text to provide the clearest, most comprehensive model for financial statement interpretation and analysis; a concise, logically organized pedagogical framework includes problems, discussion questions, and real-world case studies that illustrate applications and current practices, and in-depth examination of key topics clarifies complex concepts and builds professional insight. With insightful coverage of revenue recognition, inventory accounting, receivables, long-term assets, M&A, income taxes, and other principle topics, this book provides both education and ongoing reference for MBA students. Financial Accounting James Pratt 2020-12-15 Financial Accounting, 11th Edition, provides students with a clear understanding of financial accounting by framing accounting processes in the context of real-world business practices. Concepts are presented in an engaging story-telling approach and help answer key questions such as “why, what, and how” financial accounting connects to business success. By building a solid foundation in the mechanics of preparing and analyzing financial statements, performance measurement (Return on Equity), and decision-making with the help of data analytics, Financial Accounting, 11th Edition helps students better prepare to be effective and successful business professionals.

**Ask a Manager**

Alison Green 2018-05-01 From the creator of the popular website Ask A Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional situations that you’ll encounter on the job—such as how to deal with a difficult boss, what to do when you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud phone conversations are driving you nuts. In this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push your work on you—then take credit for it • you accidentally trash-talk someone in an email then “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask A Manager “A must-read for anyone who works with others.”—Bustle “Silly, smart, engaging and the decision-making focus shows the relevance of financial accounting in the real world. The Complete Learning System in CORPORATE FINANCIAL ACCOUNTING is built around the needs of today’s teaching and learning environment. Warren/Reeve/Duchac’s CORPORATE FINANCIAL ACCOUNTING learning system is to elevate thinking and create more empowered and prepared students—ready to take on the rest of their educational and career goals.
