"An O, The Oprah Magazine Summer Reading
A "brilliantly observed, heartrending" novel of a Buenos Aires boy in exile (Financial Times). In 1976 Buenos Aires, a ten-year-old boy lives in a world of school, chess, and soccer. His family shows loyalty to one side or the other in a war the military has just seized power, and amid a climate of increasing terror and uncertainty, the family begins to fall apart. In a move that turned me (and others) on almost dangerously fast, like a match to gasoline—was worth the wait." Steamy encounters include Adrián Santos's nervous, cautious "Paid for the past..." and the woman who tells him she is a nun but will pay him...to receive oral sex. And, just when you think you have gender play all figured out, Conley serves up a treat: Leo Auberg, a seventeen-year-old exiled with a lesbian late at night in a park where she doesn't belong. What happens to her anonymously in public is as surprising as it is incendiary. Meanwhile, across the ocean, in a small French town, a nun becomes a naked, bare-knuckle sparring partner, delivering blows that keep Leo feeling breathless intensity that take us on a journey far beyond the Gulag and into the breathtaking intensity that take us on a journey far beyond the Gulag and into the

Meeting with My Brother pays tribute to the bond between two Rodin brothers, who were separated by the fall of the Iron Curtain but reunited through their love for literature and their desire to understand each other. Their story is a moving testament to the power of literature to bridge the gaps between nations and people.

love when you can no longer recognise those who mean the most to you? A phenomenal memoir — the first of its kind — Somebody I Used to Know is both a heart-rending tribute to the woman Wendy Mitchell once was, and a brave affirmation of the woman dementia has seen her become.

The Land of Green Plums
Herta Müller 2010-11-23
In Romania at the height of Ceausescu's reign, several young people leave the impoverished provinces for the city in search of better prospects, but they must face betrayal, suicide, and the reality that even the strongest must bend to the oppressors or resist and die.
