The Chorus Girl and Other Stories Anton Pavlovich Chekhov 2006-07 ONE day when she was younger and better-looking, and when her voice was stronger, Nikolay Petrovitch Kolpakov, her adorer, was sitting in the outer room in her summer villa. It was intolerably hot and stifling. Kolpakov, who had just dined and drunk a whole bottle of inferior port, felt ill-humoured and out of sorts. Both were bored and waiting for the heat of the day to be over in order to go for a walk. All at once there was a sudden ring at the door. Kolpakov, who was sitting with his coat off, in his slippers, jumped up and looked inquiringly at Pasha.

The Duel Anton Chekhov 2021-06-08 A modern-day Hamlet, Laevsky enjoys blaming his issues on the corrupting influence of his time and civilization. Van Koren, on the other hand, believes strongly in the survival of the fittest. When the two of them become tangled in a game of infidelity, debts, and deception, it is not long until a physical duel ensues. A complex tale of transformation, human fragility and forgiveness, it was adapted to screen as a historical drama in 2010. A prolific writer of seven plays, a novel and hundreds of short stories, Anton Chekhov (1860 -1904) is considered to be a master of the short story as a genre. His detailed and often miserable descriptions of everyday

Russian life speak to his own experiences, and his characters drift between humour, melancholy, artistic ambition and death, no matter their storyline. In his plays, he tends to dramatize and explore social and existential problems, whilst his short stories focus more on the horror present in everyday life, and the mystery that cloaks monotony. The majority of his popular plays, such as 'Uncle Vanya', 'The Seagull', and 'A Hunting Accident' have been adapted into movies, giving fans of his literature a fresh avenue to explore his perspectives.

The Steppe and Other Stories, 1887-91 Anton Chekhov 2005-01-27 This collection of Chekhov's finest early writing reveals a young writer mastering the art of the short story. 'The Steppe', which established his reputation, is the unforgettable tale of a boy's journey to a new school in Kiev, travelling through majestic landscapes towards an unknown destiny. 'Gusev' depicts an ocean voyage, where the sea takes on a terrifying, primeval power; 'The Kiss' portrays a shy soldier's failed romantic encounter; and in 'The Duel' two men's enmity ends in farce. The Kiss and The Duel : and Other Stories Anton Pavlovich Chekhov 19??

The Duel and Other Stories Anton Chekhov 2012-12-10 The canonised writers of the past have a tendency to assume a fixed expression in their readers' imaginations. Dostoevsky always appears in the same aura of morbidly enthralling hysteria; Proust in the same velvety atmosphere of hyper-attuned sensory receptiveness. To think of Tolstoy is to conjure, at once, the note of

impassive grandeur, as of creation being set out in glittering ranks for inspection. Anton Chekhov, whose short career was as momentous as any of these, has his own distinct tone and manner, but the impression it leaves is curiously elusive, offering reticence and hesitation in place of "personality", and a series of moods rather than a discernible attitude to life, even the attitude of uncertainty. This elusiveness - a feature of both the life and the work - is a large part of what gives him his enduring fascination, as well as his striking modernity. In Chekhov literature seems to break its wand like Prospero, renouncing the magic of artifice, ceremony and idealisation, and facing us, for the first time, with a reflection of ourselves in our unadorned ordinariness as well as our unfathomable strangeness.

Visit us online at www.1stWorldLibrary.ORG - - It was eight o'clock in the morning - the time when the officers, the local officials, and the visitors usually took their morning dip in the sea after the hot, stifling night, and then went into the pavilion to drink tea or coffee. Ivan Andreitch Laevsky, a thin, fair young man of twenty-eight, wearing the cap of a clerk in the Ministry of Finance and with slippers on his feet, coming down to bathe, found a number of acquaintances on the beach, and among them his friend Samoylenko, the army doctor. With his big cropped head, short neck, his red face, his big nose, his shaggy black eyebrows and grey whiskers, his stout puffy figure and his hoarse military bass, this Samoylenko made on every newcomer the unpleasant impression of a gruff bully; but two or three days after making his acquaintance, one began to think his face extraordinarily good-natured, kind, and even handsome.

In spite of his clumsiness and rough manner, he was a peaceable man, of infinite kindness and goodness of heart, always ready to be of use. He was on familiar terms with every one in the town, lent every one money, doctored every one, made matches, patched up quarrels, arranged picnics at which he cooked shashlik and an awfully good soup of grey mullets. He was always looking after other people's affairs and trying to interest some one on their behalf, and was always delighted about something. The general opinion about him was that he was without faults of character.

Fifty-Two Stories Anton Chekhov 2020-04-14 From the celebrated, award-winning translators of *Anna Karenina* and *The Brothers Karamazov*: a lavish volume of stories by one of the most influential short fiction writers of all time Anton Chekhov left an indelible impact on every literary form in which he wrote, but none more so than short fiction. Now, renowned translators Richard Pevear and Larissa Volokhonsky give us their renderings of fifty-two Chekhov stories. These stories, which span the complete arc of his career, reveal the extraordinary variety and unexpectedness of his work, from the farcically comic to the darkly complex, showing that there is no one single type of "Chekhov story." They are populated by a remarkable range of characters who come from all parts of Russia and all walks of life, including landowners, peasants, soldiers, farmers, teachers, students, hunters, shepherds, mistresses, wives, and children. Taken together, they demonstrate how Chekhov democratized the form. Included in this volume are tales translated into English for the first time, including "Reading" and "An Educated Blockhead." Early stories such as "Joy," "Anguish," and "A Little Joke" sit alongside such later works as "The Siren,"

"Big Volodya and Little Volodya," "In the Cart," and "About Love." In its range, in its narrative artistry, and in its perceptive probing of the human condition, this collection promises profound delight.

The Complete Short Novels Anton Chekhov 2007-12-18 (Book Jacket Status: Jacketed) Anton Chekhov, widely hailed as the supreme master of the short story, also wrote five works long enough to be called short novels--here brought together in one volume for the first time, in a masterly new translation by the award-winning translators Richard Pevear and Larissa Volokhonsky. The Steppe--the most lyrical of the five--is an account of a nine-year-old boy's frightening journey by wagon train across the steppe of southern Russia. The Duel sets two decadent figures--a fanatical rationalist and a man of literary sensibility--on a collision course that ends in a series of surprising reversals. In The Story of an Unknown Man, a political radical spying on an important official by serving as valet to his son gradually discovers that his own terminal illness has changed his long-held priorities in startling ways. Three Years recounts a complex series of ironies in the personal life of a rich but passive Moscow merchant. In My Life, a man renounces wealth and social position for a life of manual labor. The resulting conflict between the moral simplicity of his ideals and the complex realities of human nature culminates in a brief apocalyptic vision that is unique in Chekhov's work.
