*The Blood Upon the Rose* Tim Vicary 2013-02-24 Ireland in 1919 is seething with violence, tension and divided loyalties - and so is the heart of the beautiful, wilful heiress Catherine O'Connell-Gort. For Catherine, by heritage, is a glittering symbol of British rule and oppression - yet by inclination she is a traitor to her class. A fervent supporter of Sinn Fein, she is also the secret lover of Sean
Brennan, an IRA volunteer who is being hunted by the police for terrorism and murder. When the British government decides to meet terror with terror, Catherine finds herself in a position of even greater conflict. Her father, a colonel in British Military Intelligence, recruits Major Andrew Butler, battle-scarred war hero and Irish landlord, to assassinate IRA leader Michael Collins. He also decides that the dashing major would make the perfect husband for his headstrong daughter ... In a violent climax of passion, guilt and betrayal, while her country hurtles towards civil war, Catherine faces an agonizing choice as she makes her final, fateful decision.

**Unconventional Warfare (Special Forces, Book 1)** Chris Lynch 2018-11-27 Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there.

National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

**The Great Elephant Chase** Gillian Cross 2004

When the elephant came to town, Tad and Cissie went to the show like everyone else. Little did they know it would change their lives for ever.
Because of the elephant, Tad and Cissie get involved in a chase across America, by train, by flatboat, and steam boat. Close behind is Hannibal Jackson, who is determined to have the elephant for himself. And how do you hide a large Indian elephant?* This book was the winner of the Whitbread Children's Novel Award and the Smarties Prize. Gillian Cross has also won the Carnegie Medal and is a highly-acclaimed author.

*The Elephant Man* Tim Vicary 2006-03-29 He is not beautiful, his mother doesn't want him, children run away from him, people laugh at him. He's called "The Elephant Man." Then someone speaks to him and befriends him. Includes activities at the end of the story.

*The Monmouth Summer* Tim Vicary 2013-01-17 1685. King Charles II dies unexpectedly, and is succeeded by his brother James II, England's first Catholic monarch since Bloody Mary. English Protestants feel threatened, and King Charles's illegitimate son, the handsome young duke of Monmouth, rises against his uncle in armed rebellion. The rebellion turns young Ann Carter's world upside down. Eighteen years old, she is betrothed to Tom Goodchild, a Protestant shoemaker; but secretly loves Robert Pole, an officer in King James's army, who offers to take her to London as his mistress. Ann knows it is her duty to marry Tom, but does not love him; so when he marches away with the rebels, she imagines him being killed - which would set her free. But she knows such thoughts are wicked; her father is a rebel soldier too, like all the men of her village. So who should she pray for, when musket balls start to fly? Which matters most - love or loyalty? If God could see into my heart, she wonders, what would He tell me to do? Her father, Adam, is a brave man tormented by fear. He has two fears: first, that he may be a coward, and run from the enemy; and second, that he is not one of God's Elect, and will go to Hell when he dies. But like all the men of Colyton, 'England's most rebellious town', he marches to
war, risking his life for what he believes. When England's most notorious judge, Judge Jeffreys, is sent to punish the rebels, Ann and her father are faced with the hardest choices of all. 'A masterpiece ... it was as if I could hear the musket shots in my ears.' Samantha J Morris, 'Loyalty Binds Me' historical review. 'The characters are superbly written and the dialogue is absolutely perfect!' David Fenn. 'This book ... launches right into the action and really had me visualizing the battle sequences as I was reading. It also has something for everyone (romance, action, history, drama) and pushes at the boundaries of loyalty and betrayal.' Andria Saxelby for The Kindle Book Review. 'A beautifully-written and well-researched work full of fascinating detail about life in 17th century England. I recommend this book without reservation.' Jenny Twist, author. 'I unhesitatingly recommend it.' Darlene Williams Historical Review.

The True History of the Elephant Man

Michael Howell 2010-04-01 The amazing life of the medical marvel who fascinated Victorian London. Due to horrible physical deformities, he spent much of his life as a fairground freak. He was hounded, persecuted, and starving, until his fortune changed and he was rescued, housed, and fed by the distinguished surgeon, Frederick Treves. The subject of several books, a Broadway hit, and a film, Joseph Merrick has become part of popular mythology. Here, in this fully revised edition containing much fresh information, are the true and unromanticized facts of his life.

The Withered Arm

Thomas Hardy 2021-01-01 "See if she is dark or fair, and if you can, notice if her hands be white; if not, see if they look as though she had ever done housework, or are milker's hands like mine." So Rhoda Brook, the abandoned mistress of Farmer Lodge, is jealous to discover details of his new bride in 'The Withered Arm', the title story in this selection of Hardy's finest short stories. Hardy's first story,
'Destiny and a Blue Cloak' was written fresh from the success of Far From the Madding Crowd. Beautiful in their own right, these stories are also testing-grounds for the novels in their controversial sexual politics, their refusal of romance structures, and their elegiac pursuit of past, lost loves. Several of the stories in The Withered Arm were collected to form the famous volume, Wessex Tales (1888), the first time Hardy denoted 'Wessex' to describe his fictional world. The Withered Arm is the first of a new two-volume selection of Hardy's short stories, edited with an introduction and notes by Kristin Brady.

*The Monkey's Paw (Fantasy & Horror Classics)* W. W. Jacobs 2015-05-06 This early work by William Wymark Jacobs was originally published in 1902 and we are now republishing it with a brand new introductory biography. Jacobs worked as a clerk in the civil service before turning to writing in his late twenties, publishing his first short story in 1895. Most of Jacobs' work appeared before the onset of World War I, and although the majority of his output was humorous in tone, he is best-remembered now for his macabre tales, particularly those contained in his 1902 collection The Lady of the Barge, such as 'The Monkey's Paw' and 'The Toll House'.

*Extensive Reading in the Second Language Classroom* Richard R. Day 1998-01-13 This comprehensive examination of extensive reading shows how reading large quantities of books and other materials can provide students with essential practice in learning to read and help
them develop a positive attitude towards reading, which is sometimes missed in second language classes. The authors first examine the cognitive and affective nature of reading and then offer a wealth of practical advice for implementing extensive reading with second language learners. Suggestions are provided for integrating extensive reading into the curriculum, establishing a library, selecting reading materials, and keeping records for purposes of evaluation. The text also describes a wide variety of classroom activities to supplement individualized silent reading. The information will be useful both for pre-service teachers and for teachers and administrators who want to improve the teaching of reading in their second language programs.

In hospital they ask the man questions, but he does not answer. He still cannot speak - or does not want to speak. Who is he, this strange man from the sea? What is his name? Where did he come from? And why do they call him the Piano Man?

\textit{Agatha Christie, Woman of Mystery} John Escott 2000 What does the name " Agatha Christie " mean? To many people, it means a book about a murder mystery - a "whodunnit". "I'm reading an Agatha Christie," people say. "I'm not sure who the murderer is - I think it's . . ." But they are usually wrong, because it is not easy to guess the murderer's name before the end of the book. But who was Agatha Christie? What was she like? Was her life quiet and unexciting, or was it full of interest and adventure? Was there a mystery in her life, too? The Incredible Journey Sheila Burnford 2015-05-01 A classic Canadian story of the bravery and ingenuity of three animals who find their way home. First published in 1961, The Incredible Journey tells the story of three pets: a young Labrador retriever, an old bull terrier, and a Siamese cat. While their owners are away in England, they are being cared for by a family friend at his home in the country. But a miscommunication occurs between the friend and his housekeeper when he goes on a hunting trip, and the animals are left alone for several hours, with a gnawing instinct that something has gone wrong. They soon set off on a journey to find home, which instinct tells them is to the west. They travel 400 kilometres across the Northern Ontario wilderness, facing many obstacles along the way: swift-flowing rivers and the rugged landscape; wild animals and unsympathetic humans; starvation, injuries and sheer exhaustion. Separately they would not have survived, but together this disparate group prevails, and they find their way home to the family they love.

The room was on the fourth floor, and the key on the inside. The windows were closed and fastened - on the inside. The chimney was too narrow for a cat to get through. So how did the murderer escape? And whose were the two angry voices heard by the neighbours as they ran up the stairs? Nobody in Paris could find any answers to this mystery. Except Anguste Dupin, who could see further and think more clearly than other people. The answers to the mystery were all there, but only a clever man could see them.

**The Coldest Place on Earth** Tim Vicary 2000
In the summer of 1910, a race began. A race to be the first man at the South Pole, in Antarctica. Robert Falcon Scott, an Englishman, left London in his ship, the Terra Nova, and began the long journey south. Five days later, another ship also began to travel south, carrying Roald Amundsen, a Norwegian.

**The Elephant Man** Christine Sparks 2011-10-05
John Merrick had lived for more than twenty years imprisoned in a body that condemned him to a miserable life in the workhouse and to humiliation as a circus sideshow freak. But beneath that tragic exterior, within that enormous and deformed head, thrived the soul of a poet, the heart of a dreamer, the longings of a man. Merrick was doomed to suffer forever—until the kind Dr. Treves gave him the first real home in the London Hospital and the town's most beautiful and esteemed actress made possible Merrick's cherished dream of human contact—and love.

**Nobody's Slave** Tim Vicary 2013-02-25
Two boys meet on a voyage that transforms their lives. Madu, a young African, is captured by the English slave-trader, Sir John Hawkins. Tom Oakley is a young sailor in charge of the slaves. At first the two boys boys hate each other. But
as the story develops their roles are reversed, and they become closer friends than either would have once believed possible. This is a fast-moving drama based around real historical events. History as you never learned it in school! *White Death.*

'It's a good place for gold,' said people in the 1840s, and they came from all over the world. 'It's a good place for a prison,' said the US government in the 1920s, and they put Al Capone there on the island of Alcatraz. 'It's a good place for love,' said the hippies in the 1960s, and they put flowers in their hair and came to Haight Ashbury. And San Francisco is still a good place - to take a hundred photographs, or see the Chinatown parade, or just to sit in a coffee shop and be in this interesting, different city . . .

*Police TV* Tim Vicary 1999-12-15 'Every day someone steals money from people near the shops. We must stop this,' says Dan, a police officer. The police use TV cameras but it is not easy because there are so many suspects - who is the robber?
