The Lion and the Rose by Carol McGrath 2021-05-07 1266. The novel’s main character, Queen Katherine Howard, was
beheaded on September 17, 1542, for her relationship with the king's second cousin, Thomas Culpeper. The
subsequent convulsions of events that followed are the stuff of legend. After her arrest, Katherine was
imprisoned in the Tower of London and then executed. The novel is a fictional account of her life and the
consequences of her actions. The book is written in the style of a historical novel, with the author
using her own imagination to create a believable story. The novel is
set in the late 15th century, a time of political intrigue and religious
controversy in England. The story follows Katherine as she navigates
the treacherous waters of court politics, torn between her love for
Henry and her duty to her family. As the story unfolds, Katherine's
destiny is shaped by the actions of those around her, including her
husband, the king, and her advisors. The novel is
highly recommended for fans of historical fiction, especially
those who enjoy stories set in the Tudor era.
