Between Two Millstones, Book 2 Aleksandr Solzhenitsyn 2010-11-15 This compelling account concludes Nobel Prize-winner Aleksandr Solzhenitsyn's literary memoirs of his years in the West after his forced exile from the USSR following the publication of The Gulag Archipelago. The book reflects both the separation from his Russian homeland and the chaos of misremembered between him and Western opinion makers. In Between Two Millstones, Solzhenitsyn likens his position to that of a grain that becomes lodged between two massive stones, each grinding away—the Soviet Communist power with its propaganda machine on the one hand and the Western establishment with its mainstream media on the other. Book 2 picks up the story of Solzhenitsyn's remarkable life after the paranoia public over his 1978 Harvard Address has died down. The author parties attacks from the Soviet state (and its many fellow travelers in the Western press) as well as from recent émigrés who, according to Solzhenitsyn, defame Russian culture, history, and religion. He shares his unmissed view of several infamous episodes, such as a sabotaged meeting with Ronald Reagan, aborted Senate hearings regarding Radio Liberty, and Gorbachev's protracted refusal to allow The Gulag Archipelago to be published back home. There is also a captivating chapter detailing his trips to Japan, Taiwan, and Great Britain, along with meetings with Margaret Thatcher and Prince Charles and Princess Diana. Meanwhile, the central themes of Book 2 course through this volume, too—the immense artistic quandary of fashioning Red Wheel, staunch Western hostility to the historical and future Russia (and how much can, or should, the author do about it), and the challenges of raising his three sons in the language and spirit of Russia while cut off from the homeland in a remote corner of rural New England. The book concludes in 1994, as Solzhenitsyn bids farewell to the West in a valedictory series of speeches and meetings with world leaders, including John Paul II, and prepares to last at return home with his beloved wife Natalia, full of misgivings about what use he can be in the first chaotic years of post-Communist Russia, but never waver in his conviction that, in the long run, his books would speak, influence, and convince. This vibrant, faithful, and long-awaited first English translation of Between Two Millstones, Book 2, will fascinate Solzhenitsyn's many admirers, as well as those interested in twentieth-century history, Russian history, and literature in general.

The Memoirs of Cleopatra Margaret George 2004-04-01 Bestselling novelist Margaret George brings to life the glittering kingdom of Cleopatra, Queen of the Nile, in this lush, sweeping, and richly detailed saga. Told in Cleopatra's own voice, The Memoirs of Cleopatra is a mesmerizing tale of ambition, passion, and betrayal in the ancient Egyptian world, which begins when the twenty-year-old queen seeks out the most powerful man in the world, Julius Caesar, and does not end until, having survived the assassination of Caesar and the defeat of the second man she loves, Marc Antony, she plots her own death rather than be paraded in triumph through the streets of Rome. Most of all, in its richness and authenticity, it is an irresistible story that reveals why Margaret George's work has been widely acclaimed as 'the best kind of historical novel, one the reader can't wait to get lost in.' (San Francisco Chronicle).

Twinable Allies Aleksandr Isiaevich Solzhenitsyn 2014-10-13 After his expulsion from Russia in 1974 for undermining the Communist regime, Solzhenitsyn wrote a secret record, while it was still fresh in his mind, of the courageous efforts of people who hid his writings and smuggled them to the West. Before the fall of Communism he could not have published Invisible Allies in conjunction with his memoir The Oak and the Calf without putting those friends in jeopardy. The circle was varied enough to include scholars and fellow writers, and also elderly babubkhas who acted as couriers. With tenderness, respect and humour, Solzhenitsyn speaks of these partners in conspirancy: the women who typed his works under the noses of prying neighbours; the journalists and diplomats who covertly carried microfilms across borders; the friends who hid drafts of his works from the vigilance of the secret police.
