In contrast, the 'Effective Leader', working without a pill, inspires and supports his team. Kenneth H. Blanchard 1982

**Whale Done!** Kenneth Blanchard 2003-02-03 A compendium of straightforward techniques on how

to accentuate the positive and redirect the negative, increasing productivity at work and at home. What do your people at work and your spouse and kids at home have in common with a five-ton killer whale? Probably a whole lot more than you think, according to top business consultant and mega-bestselling author Ken Blanchard and his coauthors from SeaWorld. In this moving and inspirational new book, Blanchard explains that both whales and people perform better when you accentuate the positive. He shows how using the techniques of animal trainers -- specifically those responsible for the killer whales of SeaWorld -- can supercharge your effectiveness at work and at home. When gruff business manager and family man Wes Kingsley visited SeaWorld, he marveled at the ability of the trainers to get these huge killer whales, among the most feared predators in the ocean, to perform amazing acrobatic leaps and dives. Later, talking to the chief trainer, he learned their techniques of building trust, accentuating the positive, and redirecting negative behavior -- all of which make these extraordinary performances possible. Kingsley took a hard look at his own often accusatory management style and recognized how some of his shortcomings as a manager, spouse, and father actually diminish trust and damage relationships. He began to see the difference between "GOTcha" (catching people doing things wrong) and "Whale Done!" (catching people doing things right). In *Whale Done!*, Ken Blanchard shows how to make accentuating the positive and redirecting the negative the best tools to increase productivity, instead of creating situations that demoralize people. These techniques are remarkably easy to master and can be applied equally well at home, allowing readers to become better parents and more committed spouses in their happier and more successful personal lives.

**Trust Works!** Ken Blanchard 2013-04-30 Trust Works! How to build it—How to keep it In this enlightening guide developed from his popular Trust Works! training program, #1 bestselling author and management guru Ken Blanchard turns his vast knowledge and insight to one of the most timely and complex issues that affects all areas of our lives. Once upon a time, a dog and a cat lived together with other animals and the humans who cared for them. But canine and feline did not trust each other—a situation that led to fighting, backbiting, and sabotaging that soon affected the whole household. Unless their conflict was resolved, all of the pets would lose their home. Fortunately, a wise old parrot stepped in, teaching dog and cat the ABCDs of trust. As each became aware of the unconscious behaviors at the root of their hostility, dog and cat discovered how to change their behavior—a mutual transformation that created a happy, productive environment for all. In Trust Works! Ken Blanchard applies that fable to real-life situations to show anyone how to get along better with those around them. He outlines his ABCD trust model and uses it to address the factors that lead to discord, including low morale, miscommunication, poor response to problems and issues, and dysfunctional leadership. In today's polarized society, building trust—and sustaining it—has never been more important or seemingly elusive. Trust Works! provides a common language and essential skills that can replace dissension with peace and cooperation and help us all work together productively and in harmony.
