Legendary Service Great customer service is a concept organizations love to be known for. Yet most people consider the service they receive to be average, at best. Successful companies make the connection between legendary customer service and a thriving business—they recognize that the way employees treat customers is directly related to the way managers treat employees. Kelsey Young is an optimistic but disillusioned sales associate working her way through college. Her world opens up when one of her professors challenges her to create a culture of service at her workplace by putting the five components of Legendary Service into practice. Although Ferguson's, the store where Kelsey works, certainly isn't known for service excellence, Kelsey believes she can make a positive difference. She quickly learns that culture change isn't easy—and that her role as a frontline employee is more significant than she ever could have imagined. In characteristic Blanchard style, Legendary Service: The Key Is to Care is a quick and entertaining read for people at all organizational levels in every industry. When applied, its lessons will have a profound impact on the service experience your customers will receive. Whether a CEO or a part-time employee, every person can make a difference—and customer service is everyone's job. PRAISE FOR LEGENDARY SERVICE: "Read this book and establish a
service culture in your organization." -- Horst Schulze, Chairman/CEO, Capella Hotel Group "Legendary Service has great learnings for people at all organizational levels: for executives and managers, the value of a service culture; and for frontline staff, the reality that they are the face of the company and can make a difference. Legendary service--it's everyone, always." -- Mark King, CEO and President, TaylorMade Golf "Everything I know about service I learned from my career at Hilton Hotels, Marriott International, The Walt Disney Company, and Ken Blanchard. The One Minute Manager dramatically changed my thinking 32 years ago. Legendary Service will teach the next generation how to deliver sensational service. When you add their voices to that of the master storyteller Ken Blanchard, you have a masterpiece entitled Legendary Service. It is a must-read for everyone who, like me, has a passion for service." -- Colleen Barrett, President Emeritus, Southwest Airlines, and coauthor of Lead with LUV "Ken Blanchard has done it again and delivered the right book at the right time. Legendary Service provides the essentials of hospitality and servant leadership in a way that everyone can adopt--right now--today!" -- John Caparella, President and COO, The Venetian, The Palazzo, and Sands Expo "Ken, Kathy, and Vicki show us how to change everyday service events into memorable experiences. The Leadership Pill
Kenneth Blanchard 2012-12-11

How can you become a more successful manager, a stronger team leader and a motivator who gets the best results from a group? Ken Blanchard's inspiring new book provides the answer. In a beguiling, sometimes humorous fashion, THE LEADERSHIP PILL conjures up a tantalizing possibility: What if there was a pill that could stimulate the natural powers of the mind and body to provide leadership? In the story, an amazing new pill heightens one leader's powers, but contains the wrong ingredients, stimulating him in a short-sighted direction. He is coercive, obsessed with immediate results and drives his team relentlessly until, after a brief spike in performance, they suffer early burnout. In contrast, the 'Effective Leader', working without a pill, inspires and supports his team. He supplies the right ingredients, earning the respect and trust of his team with a blend of integrity, partnership and affirmation. Ultimately it is recognised that there is more to effective leadership than a wonder 'pill'. Destined to be a transforming experience for thousands of readers, THE LEADERSHIP PILL shows how to apply the right techniques, no matter how pressured a business situation.

Trust Works! Ken Blanchard 2013-04-30 Trust Works! How to build it—How to keep it In this enlightening guide developed from his popular Trust Works! training program, #1 bestselling author and management guru Ken Blanchard turns his vast knowledge and insight to one of the most timely and complex issues that affects all areas of our lives. Once upon a time, a dog and a cat lived together with other animals and the humans who cared for them. But canine and feline did not trust each other—a situation that led to fighting, backbiting, and sabotaging that soon affected the whole household. Unless their conflict was resolved, all of the pets would lose their home. Fortunately, a wise old parrot stepped in, teaching dog and cat the ABCDs of trust. As each became aware of the unconscious behaviors at the root of their hostility, dog and cat discovered how to change their behavior—a mutual transformation that created a happy, productive environment for all. In Trust Works! Ken Blanchard applies that fable to real-life situations to show anyone how to get along better with those around them. He outlines his ABCD trust model and uses it to address the factors that lead to discord, including low morale, miscommunication, poor response to problems and issues, and dysfunctional leadership. In today’s polarized society, building trust—and sustaining it—has never been more important or seemingly elusive. Trust Works! provides a common language and essential skills that can replace dissension with peace and cooperation and help us all work together productively and in harmony.

**Gender Intelligence** Barbara Annis 2014-05-13 World-renowned experts on gender intelligence Barbara Annis and Keith Merron suggest it’s time to move beyond arguments based on politics and fairness, building an economic business case for gender diversity in the workplace. Despite forty years of laws, quotas, diversity training, and legal expenses aimed toward equalizing pay, opportunities, and working conditions between the sexes, the glass ceiling remains firmly intact. For too long, companies have played the “numbers game”—attempting to tackle gender imbalance by forcing affirmative action policies and numeric standards on organizations to increase the representation of women in management. Yet, these efforts have rarely been sustained. In this groundbreaking comprehensive analysis, based on more than twenty-five years of in-depth surveys involving 100,000 men and women across dozens of Fortune 500 companies, Barbara Annis and Keith Merron provide a deeper understanding of the multiplicity of forces that have combined to create and perpetuate gender inequality. Gender Intelligence exposes common false assumptions that prevent men and women from successfully performing together at work—myths exacerbated by worn-out theories of gender blindness and sameness thinking. It show how a small but growing number of courageous, leading-edge companies have broken through the barriers to successfully advance women, making the remarkable transformation from compliance to choice—from pressure to preference—and show how it can be done in any business. Gender Intelligence features 17 illustrations.
