Your Conversation Starter Guide - The Conversation Project

To get ready to talk about what matters to you and your wishes for care through the end of life, it’s helpful to gather your thoughts as a first step. You don’t need to have the conversation just yet. Here are some helpful ways to think about what matters to you and prepare for your conversation. That’s your “what matters to me ...”

Cognitive justice and the higher education curriculum ...

It matters which stories tell stories, which concepts think concepts. Mathematically, visually, and narratively, it matters which figures figure figures, which systems systematize systems (Harraway, 2016, p.101). And it matters, what knowledge systems we use to consider how to generate new or more equitable and fair knowledge systems.

Information for Parents and Caregivers - The National Child ...

The important thing is to let children know that you are ready to listen and to answer whatever questions they may have. Too often, children get the majority of their sexual education from other children and from media sources such as television shows, songs, movies, and video games. Not only is this information often wrong, it
