"philosophy" means, "love of wisdom." In a broad sense, philosophy is an activity people undertake when they seek to understand fundamental truths about themselves, the world in which they live, and their relationships to the world and to each other. As an academic discipline philosophy is much the same.

What is Philosophy?

The Philosophy Foundation's account attempts to capture something of its spirit, structure, content, method, aims and hopes, but our account is inextricably personal to us and culturally specific. So, consistent with the philosophical spirit we've tried to illustrate here, one might wonder whether philosophy is – at least in addition to what we have said it is – ...
