D/deaf and D/dumb Joseph Michael Valente 2011 Discourses and Identities in Contexts of Educational Change presents the work of fourteen scholars concerning the United States and Mexico. The authors explore current and changing educational contexts through the relationship between discourses and identities. These are contexts in which the participants must negotiate multiple, and sometimes conflicting, positions. The empirical studies reported here are grounded in contemporary theories of sociolinguistics and literacy practices, social relations conceptualized in dynamics of power, and identity representations. The book uniquely contributes To The Challenges facing different educational communities in specific contexts by using discourse and
identity as the conceptual tools to analyze the problematic and often unclear relationship among diverse educational actors immersed in contexts of change at the local, national, and global levels.

Mary Queen of Scotland and The Isles Margaret George 2010-02-01 Margaret George’s exhaustively researched novel skillfully weaves both historical fact and plausible fiction in bringing the story of Mary Queen of Scots to life. She was a child crowned a queen... A sinner hailed as a saint... A lover denounced as a whore... A woman murdered for her dreams... Margaret George’s Mary Queen of Scotland and the Isles brings to life the fascinating story of Mary, who became the Queen of Scots when she was only six days old. Raised in the glittering French court, returning to Scotland to rule as a Catholic monarch over a newly Protestant country, and executed like a criminal in Queen Elizabeth’s England, Queen Mary lived a life like no other, and Margaret George weaves the facts into a stunning work of historical fiction. “With a seamless use of original letters, diaries, and poems a popular, readable, inordinately moving tribute to a remarkable queen.” — Kirkus Reviews Saving Zasha Randi Barrow 2013-01-01 In post-WWII Russia, one boy dares to save an entire race of outlawed dogs – the German shepherd! World War II has just ended when thirteen-year-old Mikhail finds a dying man and his German shepherd, Zasha, in the woods. It’s dangerous -- some say traitorous -- to own a German dog after Germany attacked Russia, so Mikhail must keep Zasha a secret to keep her alive. But Mikhail’s rival, Katia, is determined to find the dog she is sure he’s hiding. At the same time, a soldier named Dimitri is breeding a new Russian dog at a nearby farm. So many dogs were lost in combat, to starvation, and in the slaughter of German dogs that the country is in dire need of every kind of dog. Dimitri, too, has suspicions of Zasha’s existence, and would like nothing more than to add her to his breeding program. He’ll have to compete with the armed dog thieves who are also on her trail. Mikhail’s inspiring journey to save his best friend, the last German shepherd in Russia, forces him to face some of life’s hardest lessons about war, hate, forgiveness, hope, love, and man’s best friend. The Rear Emma Clayton 2014-09-04 Twins Mika and Ellie live in a future behind a wall, safe from the plague animals that live beyond. Or so they’ve been told. When one of them disappears, and the other is caught in a sinister game, they begin to discover that their world is built on lies... Gym Candy Carl Deuker 2008-09-22 “Look, Mick,” he said, “you’re going to find out from somebody in the gym, so you might as well find out from me. Those supplements you’re taking? They might get you a little bigger, but just a little. If you’re after serious results, there’s other stuff that produces better results much faster, stuff that a lot of guys in the gym use.” “What other stuff?” “You know what I’m talking about—gym candy.” Runningback Mick Johnson has dreams of cutting back, finding the hole, breaking into the open, and running free with nothing but green grass ahead. He has dreams of winning and of being the best. But football is a cruel sport. It requires power, grace, speed, quickness, and knowledge of the game. It takes luck, too. One crazy bounce can turn a likely victory into sudden defeat. What elite athlete wouldn’t look for an edge? A way to make him bigger, stronger, faster? This novel explores the dark corners of the heart of a young football player as he struggles for success under the always glaring—and often unforgiving—stadium lights.
