Various 2021

"The series fans demanded is collected at last! Who's Who Omnibus Vol. 1 Various 2021 "The series fans demanded is collected at last! Who's Who was a series that began in 1985 and ran through the 1990s, cataloguing every character, good or evil, in the DC Universe, from Abel to Zyklon and beyond, with copious detail on powers, origins, and other key facets of each character. Illustrated by a wide range of top artists from the Golden Age of comics up through the 1980s indie comics scene, Who's Who was a feast for the eyes as well as being the ultimate guide to the denizens of the DC Universe."--

**The Golden Age (1993-1994) #1**

James Robinson 2013-12-31

DC's first generation of super-heroes has been driven into retirement, hiding, or madness—except for a few who are willing to change with the times. But behind the scenes, something sinister is unfolding—a subtle plot that may engulf the planet and remake it in one man's image.

**Doom Patrol Book One**

Grant Morrison 2016-02-23

The groundbreaking series from Grant Morrison that led American comics in a wholly unexpected direction. Originally conceived in the 1960s by the visionary team of writer Arnold Drake and artist Bruno Premiani, the Doom Patrol was reborn a generation later through Grant Morrison's singular imagination. Though they are super-powered beings, and though their foes are bent on world domination, convention ends there. Shunned as freaks and outcasts, and tempered by loss and insanity, this band of misfits faces threats so mystifying in nature and so corrupted in motive that reality itself threatens to fall apart around them-but it's still all in a day's work for the Doom Patrol.

Written by Grant Morrison and featuring art by Richard Case, John Nyberg, Doug Braithwaite, Scott Hanna and Carlos Garzón, DOOM PATROL BOOK ONE collects issues #19-34 and includes introductions by Morrison and editor Tom Peyer.

**JSA, the Golden Age**

James Robinson 2018

"Presenting the thought-provoking alternate comic book-history tale of the Justice Society of America in a new edition. The JSA, the heroes of WWII, find themselves face to face with a new kind of oppression in "McCarthy Era" America! Some of the greatest heroes of the 1940s, including the original Green Lantern, Atom, Hawkman and Starman, among others, return in this epic tale. The story follows their postwar adventures as they battle evil in a world they fear may no longer need them. And as their...
importance wanes, a new hero, Dynaman, rallies the nation behind a fascist agenda."--
Starman - the Cosmic Omnibus 1 James a Robinson 2020-04-14 The classic superhero series Starman, starring a Gen-X superhero, returns in this massive omnibus hardcover edition by James Robinson (Batman: Face the Face) and Tony Harris (Ex Machina). The superheroic legacy of Starman is renewed in these stories, in which Jack Knight--antiques collector and dealer--inherits the name and powers of his father's old Starman identity from his older brother, who has been assassinated. Reluctantly adjusting to his role, Jack reinvents the look of Starman, ditching the traditional red and green in favor of black leather and aviator goggles. But Jack has inherited more than a heroic identity from his brother...he's also gained a foe: the beautiful but mentally unbalanced Nash, daughter of the villain known as the Mist. Jack also must come to grips with the Shade, the morally ambiguous former villain who decides to become Jack's mentor. Collects Starman issues #0-42, Starman Annual: Framing Sequence #1, Starman Annual: The Death of Prince Gavyn #1, Starman Annual: The Witch #1, The Shade #1-4, Starman Secret Files #1 and Power of Shazam #35-36.

Parentology Dalton Conley 2014-03-18 An award-winning scientist offers his unorthodox approach to childrearing: "Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions" (Amy Chua, author of Battle Hymn of the Tiger Mother). If you’re like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In Parentology, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley’s sassy kids
show him the limits of his profession. Parentology teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You’ll be laughing and learning at the same time.

Terminator Omnibus Volume 1 James A. Robinson 2008-02-19 They came from another time to ensure that the future would belong solely to the machines. They are Terminators: indestructible killing engines hiding inside shells of flesh and blood. Tireless, fearless, merciless, unencumbered by human emotion, dedicated to the complete eradication of mankind. But despite the frailty of human flesh, nothing is as immortal as the human spirit, and even the strongest metal will bend by the will of a mother fighting for the future of her children. Dark Horse Comics has long been regarded as the heavyweight champion of adapting film blockbusters to graphic fiction, and The Terminator is one of the finest examples of bringing top comics talents to the expansion of a premier action/adventure mythos. Featuring work by fanfavorite creators James Robinson, Matt Wagner, John Arcudi, Paul Gulacy, Ian Edginton, and more, The Terminator Omnibus Volume 1 features over three hundred story pages in a full color, highquality, valuepriced edition.
