Her grandma then informs her that she is actually a witch who is a descendant of a long line of witches and warlocks. After overcoming her disbelief she finds that being a member of the coven comes with one great perk in the form of the school's handsome bad boy, Vance Mangum. Vance and Portia have an immediate connection as a budding romance begins, only to be threatened by turbulent skies on the horizon as Vance's checkered past rears its ugly head to haunt them. Portia is forced to use her untried powers in defense of everything she loves in a desperate attempt to hold on to the one thing that really matters in her life. 2. The Demon Kiss Can someone else's past come back to bite you? After being drained of nearly all the blood in her body, novice witch, Portia Mullins, wakes up to find that her warlock boyfriend, Vance Mangum, has fled in search of his demon father. Determined to keep him from facing the evil alone Portia follows after him, unknowingly setting herself on the path of a new adventure that will take her, Vance, and their coven over international borders, into a foreign place where they will discover that the black magic that awaits them is far worse than they ever imagined. Portia finds herself tangled up in a web of lies and deceit in another's quest for demonic power. 3. Blood of the White Witch As the personal connection between Portia and Vance explodes, the two quickly find themselves in a world of shifting balances. While searching for Vance's missing mother, they realize they are suddenly unsure of whom to trust, learning sometimes things are not always as they appear. When Vance's demon characteristics abruptly begin to resurface without warning, the horrible truth comes out, crashing down upon them and shattering some of their most precious dreams. Once the deadly secret is uncovered, Portia and Vance find themselves hastily rushing against the hands of time in an attempt to stop an ancient ritual. Passion, loyalties, powers, and family ties, will all be tested when dangerous adventures abound. 4. The Dark Rising When Portia Mullins discovers the love of her life is still alive her heart soars. But reality sets in immediately causing it to plummet when she realizes he doesn't remember his past life with her. Unwilling to give up, she embarks on a loving quest to restore his life to him. Vance Mangum sees the beautiful girl claiming to be his wife, and while he can't remember her, he can't deny the intense pull he feels between them. Not knowing where else to turn, he agrees to give her the time she's asked for and to assist her in the effort to recover his memories. The two quickly reconnect, but dark surprises are lurking in the wings when Vance discovers a desperate longing for something he feels he can't withstand. Will he be able to resist? Or will evil raise its head in a new form, leaving Portia as the prey of the very man her heart desires? Darkness reigns supreme in this haunting tale of love and desperation. 5. Possession of Souls Fear and desperation leave Portia and Vance clinging to threadbare hope as life is given, and taken away. Manipulated, driven by bloodlust and the desire to claim sole possession, the stakes are raised higher than they've ever been before. Evil rises with the intent to dominate, leading them and their coven to the ultimate confrontation-a battle that will force one of them to make a devastating, life-altering decision. A Spell in the Wild Alice Tarbuck 2020-10-01 'Witches occupy a clear place in contemporary imagination. We can see them, shadowy, in the corners of the past: mad, glamorous, difficult, strange. They haunt the footnotes of history - from medieval witches burning at the stake to the lurid glamour of the 1970s witchcraft revival. But they are moving out of history, too. Witches are back. They're feminist, independent, invested in self-care and care for the world. They are here, because they must be needed.' What it means to be a witch has changed radically throughout history; where 'witch' was once a dangerous - and often deadly - accusation, it is now a proud self-definition. Today, as the world becomes ever more complicated and as we face ecological, political and economic crisis - witchcraft is experiencing a resurgence. Witches are back. In *A Spell in the Wild*, Alice Tarbuck explores what it means to be a witch today. Rooted in the real world, but filled with spells, rituals and recipes, this book is an accessible, seasonal guide to witchcraft in the twenty-first century. Following the course of a witch's calendar year while also exploring the history and politics of witchcraft, *A Spell in the Wild* is the perfect primer for the contemporary witch.

It presents her personal approach to witchcraft, what she learned over her many decades of practicing magic, including: how to invoke the deities or spirit powers, the gods and goddesses that inhabit our world; the pagan holidays, what they mean and how to honor them; working with moon power throughout its phases; a witch's toolkit of spells and rituals for contacting one's ancestors, seeking protection from malevolent forces, and advanced manifestation practices; and an exploration of the principles of self-realization through witchcraft"

The Spell Book of a Wicked Witch Thalia Thorne 2021-02-07 Sometimes the only way to get justice is to make it for yourself. Many modern witches believe that you should only use magic to bring positive energy into the world, and most spell books teach you those types of spells. This spell book is different. This spell book is wicked. There are times when you will be hurt by someone you loved, betrayed by someone you trusted, maligned by someone you thought was your friend. Times when the magic of light and love just will not do. Thalia Thorne is an experienced witch and falls firmly into the camp that knows that there is no such thing as "white magic" or "black magic". Magic is what you turn to when mundane methods have failed or just won't work. If you're not pushing back against those who would walk all over you, then you're just going to end up being a doormat. This spell book will teach you how to make your own justice and stand up for yourself. For example, you'll find: Agony of Acne Curse - to give someone a pimple Sour Break Up Spell - to end a relationship Banish Your Ex Hex - to drive them away forever Business Butcher Curse - to destroy a business Liar's Lamentation - to find out who has been spreading lies And over 50 other spells that use simple ingredients and provide step-by-step directions that a beginner can follow. Wicca Book of Crystal Spells Lisa Chamberlain 2017-12-06 Everything You Need to Know to Start Working With Magical Crystals Today Since the beginning of recorded history, people have revered the beauty and power of crystals and other mineral stones, incorporating them into religious artwork, weaponry, healing techniques and-of course-magic! From the quartz talismans of Egyptian pharaohs to the Aztec ceremonial masks of turquoise, malachite and jade, these natural delights have been prized by cultures all around the globe. Today's practitioners of the magical arts use crystals for a variety of powerful workings related to health, wealth, love, protection, divination and more. Whether it's in the form of an elixir for imbuing confidence-promoting energies, a small polished stone placed with herbs in a love sachet, or a favorite crystal emitting positive vibrations in your sacred space, crystals and other mineral stones are powerful and highly versatile tools of magic. In *Crystal Magic*, Wiccan author Lisa Chamberlain explores the many magical uses of these natural beauties and the underlying Universal forces that make it all work. But while this guide is written from the perspective of Wiccans and other Witches, you need not consider yourself a Wiccan or a Witch to benefit from the magical power of crystals and stones. As you will see within these pages, the energies of these Earth creations are universal and can be harnessed by anyone, anytime. So whether you're new to magic, new to crystals, or new to both, you'll find this guide to be an invaluable resource for your spiritual practice. Most books about crystal magic fall into one of two categories: encyclopedias and spell books. While there are some wonderfully comprehensive encyclopedia-style books out there that describe the magical properties of hundreds of different crystals and stones, they tend to provide little or no practical information about using them in spellwork. Likewise, there are a few good practical books that focus on crystal-centered spells, but they don't tell you much about the nature and properties of the crystals and stones involved in the work. *Crystal Magic* was created to bridge these two worlds by incorporating both elements: a solid overview of 13 widely-used crystals in Wiccan magic, along with a comprehensive look at their practical applications in everyday spellwork. This approach is especially handy for those who are just beginning to build a collection of magical stones, since the spells themselves use only the stones featured in the guide! Foundations of Crystal Magic Of course, it's not enough to simply buy a few pretty stones and say some magic words over them. You have to build a personal relationship with your crystals if you want to work with them successfully. This guide will help you to do just that, with plenty of need-to-know information, including: - How crystals and mineral stones are formed in the Earth and how they're classified - How their unique energetic vibrations can help you shape the reality of your daily life on the physical, emotional, and spiritual planes - Profiles of 13 of the most widely used crystals and stones in contemporary Witchcraft - How to choose and care for your own crystals, including clearing and charging them for use in magic - How to harness the projective and receptive energies of crystals - Several spells and magical workings using crystals, including elixirs, candle spells and charms By the end of this guide, you'll have a solid foundation from which to build your own practice of working with crystals. But be sure to let the stones themselves guide you as well-they are natural teachers from deep inside the Earth and can aid you on your path no matter where it leads you!

Witchcraft, Demonology and Magic Marina Montesano 2020-05-20 Witchcraft and magic are topics of enduring interest for many reasons. The main one lies in their extraordinary interdisciplinarity: anthropologists, folklorists, historians, and more have contributed to build a body of work of extreme variety and consistence. Of course, this also means that the subjects themselves are not easy to assess. In a very general way, we can define witchcraft as a supernatural means to cause harm, death, or misfortune, while magic also belongs to the field of supernatural, or at least esoteric knowledge, but can be used to less dangerous effects (e.g., divination and astrology). In Western civilization, however, the witch hunt has set a very peculiar perspective in which diabolical witchcraft, the invention of the Sabbat, the persecution of many thousands of (mostly) female and (sometimes) male presumed witches gave way to a phenomenon that is fundamentally different from traditional witchcraft. This Special Issue of Religions dedicated to Witchcraft, Demonology, and Magic features nine articles that deal with four different regions of Europe (England, Germany, Hungary, and Italy) between Late Medieval and Modern times in different contexts and social milieus. Far from pretending to offer a complete picture, they focus on some topics that are central to the research in those fields and fit well in the current "cumulative concept of Western witchcraft" that rules out all mono-causality theories, investigating a plurality of causes.

The Book of Spells Kate Brian 2012-11-08 The year is 1915 and sixteen-year-old Eliza Williams has just arrived at the Billings School for Girls, the sister school of Easton Academy, founded to turn girls into dutiful wives. Eliza's parents expect her to learn the qualities needed to be a graceful and obedient wife, but Eliza has a dangerous secret... she's a witch! After finding a dusty, leather-bound spell book, Eliza forms a secret coven with eleven other Billings girls, disguising their gatherings as a literary society to keep their teachers from discovering the truth. Bonded in sisterhood, they cast spells - cursing the headmistress, giving blisters to boys with wandering hands and conjuring beautiful dresses out of rags. The girls taste freedom and power for the first time, but what starts out as innocent fun turns into something more sinister when one of the spells has an unexpected - and deadly - consequence. Eliza realises that magic could bring her everything she's ever wanted... but it could also destroy everything she holds dear. But is it too late to stop what she's started? *Spells for the Solitary Witch* Eileen Holland 2004-05-15 Written by the best-selling author of *The Wiccan Handbook*, *Spells for the Solitary Witch* is clear and easy to follow. *Spells for the Solitary Witch* explains how to prepare and cast spells 87 spells in all together with the materials needed for each spell and the incantations to say that will ensure the best results. Tailored to the needs of solitary witches, Holland suggests alternatives to hard-to-find ingredients, as well as directions about where to find specific ingredients crucial to a spells success. "Solitary Witches," writes Holland, "are those who practice the Craft without a coven or other group. Some Witches are solitary because of circumstances, but the rest of us are solitary by choice...we feel no need to join a formal group. We like our independence and prefer the freedom to do things our own way..."
