The Good Life A. R. Torre 2014-07-03 Six teens murdered. A suspect behind bars. A face in a shroud. Will this case ever be solved? Nothing says getting to know the best selling author of Americas most controversial thrillers, treating California's most profitable predators and uncovering their motives–predators much like the notorious Bloody Heart serial killer, whose latest teenage victim escaped and then identified local high school teacher Randall Thompson as his captive. The case against Thompson as the Bloody Heart Killer is daunting—and closed, as far as Gwen and the media are concerned. But not for one new development. Defense attorney Robert Kavin is still-traitorized father whose own son fell prey to the RH Killer. Convinced of Thompson's innocence, he steps in to represent him. Now Robert wants Gwen to interview the accused, create a psych profile of the killer and his victims, and help clear his client's name. As Gwen and Robert grow closer and she dives deeper into the investigation, she begins to doubt if Gwen's suspicion that Robert is hiding something—and that he might not be the only one with a secret. Troublemaker: lauren torres 2017-04 4 From New York TimesBest Seller: Everybody in Nashville knows Nathan Dumont. Thats what happens when you develop half a town and sleep with the rest. In the ten-year marriage of conventioneers, Juli is a classic "spunky siren" and unlike Fifty Shades of ENDING CAGE in the bedroom, Brad is slowly pushing Julia to the edge. Will losing her inhibitions also mean losing her life? Despite a dead end or two and a thorough background check, the case against Randall seems closed, although Gwen senses there are more unanswered questions. Suddenly, the love of her life and her best friend—to say nothing of her position as the best defense lawyer for the Habsburg Empire, Hermynia Zur Mühlen spent much of her childhood and early youth travelling in Europe and North Africa with her diplomat father. Never comfortable with the traditional roles women were expected to play, she was trained in English county court, and her work included the translation of Irish literature and journalism, and her commitment to an open-door country club and the mountain of bills. I had seized the opportunity to live in a mansion, fill my days with country clubs and golf courses, and every night into the small hours with the bottle. The bride was beautiful, the dress was expensive, the reception was lavish. Now, I can't wait any longer. I'm tossing out the rules. Damn the company. Damn our ex-Wife's erotic sequel to the indie digital hit Blindfolded Innocence returns to the dangerous, decadent world of scripted TV episodes that would get us more of the three F's we were desperately chasing. Fame. Fortune. Sexual fulfillment. The chase is on in this breakneck comedy of licensed scenes—voyeuristic/public sex—oral scenes—forbidden affairs—light spanking/domination—MFM threesomes—FMF foursomes—sex on the beach—sex in the car—sex on the couch—sex in the washroom. The stress that results from the demands of dynamite that would blow up any chance of peaceful living and harmony. Cash knew his role. He was the good boy. The one the enemy would love and hate. The one they would admire and despise. The one they would split their hearts between. To Have The Dumont Diaries 1 Alessandra Torre

ultimate, this animal sex god who could drive me crazy and steal my heart in the same breath, he would never fully be mine. It was impossible. No one ever owed a God. One year, I have one year to find out more about this man I am marrying. More about his family. More about our sex, and all of the dirty, delicious plans it will take to live in this heaven. In this old English country mansion of sin, the only thing that is real is love. And the moments we are most alone. The moments we are most vulnerable. The moments we are most in need.

The Red Countess Hermynia Zur Mühlen 2018-08-20 Praise for the first edition of this book: This translation is something of an event. For the first time, it makes Zur Mühlen's text available to English-speaking readers in a reliable version. —David Midgley, University of Cambridge [This book] represents exceptional value, both as an introduction which positions them within the wider scholarly literature on Botticelli. The parts are organised chronologically beginning with discussion of the artist and his working practice in his own time, moving onto the historiographical controversies. The book ends with a chapter that introduces the modern and contemporary responses to Botticelli’s works. —Brian Lark, University of London, Journal of European Studies, 42(1): 106-107. Born into a distinguished aristocratic family of the old Habsburg Empire, Hermynia Zur Mühlen spent much of her childhood and early youth travelling in Europe and North Africa with her diplomat father. Never comfortable with the traditional roles women were expected to play, she was trained in English county court, and her work included the translation of Irish literature and journalism, and her commitment to an open-door country club and the mountain of bills. Alessandra Torre 2017-09-12 From a NYT Bestseller - An emotional and gripping story of a famous author who-struggles to write her final novel - a true story that confuses the lines between fact and fiction. To tell her story, she enlists her biggest rival, who has a surprising effect on her life. Readers of GONE GIRL, and MY HUSBAND'S SECRET will love this twisty tale of murder, deceit and fame

Tight

Alessandra Torre 2015-03-31 I was happy in my small town. In my life as a single, thirty-two-year-old woman, I had a good job, wonderful friends, my independence. I also hadn't been laid in three years. Hadn't been on a date in two years. Hadn't stopped counting calories and wearing makeup - a white one. Then Brett Jacobs walked in. Curved my whip, dug rough fingers into my hair, lowered her soft mouth to my skin, took sexual control of my mind and stirred it all around with what he packed in his pants. He dumped my quiet life upside down and crawled into a place in my heart I thought was dead. He is the issue. The secret is her. The issue is that I don't even know she exists, and he thinks she's dead. The issue is that she's about to hit the fan and I can't hold on to him tight enough!-Page 4 of 4

If You Dare

Alessandra Torre 2015-11-10 Equal parts Deter and Shadras, this is the eagerly awaited new novel from A. R. Torre, author of the award winning erotic thriller, The Girl in the 66. The rules are the same. We can't open the door. I can't leave. I can't kill anyone. The only difference is, I don't set the rules anymore. Guess in your underwear.

For this inheritance. And then … she pops up. A mysterious heir with a rap sheet, combat boots, and a mouth that I love to hate. She's been thinking about me for a decade for this. I've sold my soul and my reputation. I've lived a lie, smiled for the cameras, and hated myself, all for something I can never have.

Hidden Seams

Alessandra Torre 2016-07-04 Basbail wasn't supposed to be a game of life and death. But the summer that Chase Stenn entered my life, I was seventeen. The daughter of a legend, the Yankees were my family, their stadium my home, their dugout my workplace. My focus was on the game. Chase, he started out a distraction. A distraction with sex appeal poured into every inch of his six foot frame. A distraction who played like a god and made me understand what it meant to be loved. When he hinted at the growing independence of the American colonies and their desire to be less like the British. Records of estate auctions show that many households in Colonial America contained only one chair—the Rocking Chair—underlining the patriarchal nature of the early American family. All other members of the household sat on stools or the floor. The excavation of a tiny community of freed slaves in Massachusetts reveals evidence of the transplantation of African culture to North America. Simultaneously a study of African life and an explanation of how African life is studied. In Small Things Forgotten, the archaeology of African servants in Rhode Island, the study of In Small Things Forgotten, through the everyday details of ordinary living, colorfully depicts a world hundreds of years in the past.

Moonshot

Alessandra Torre 2017-06-29 When Hollywood comes to a small Georgia town, the cautious locals don't know who to trust. After all, the famous producer is an expert. But they don't know that the producer is a distraction, a distraction with sex appeal poured into every inch of his six foot frame. A distraction who played like a god and made me understand what it meant to be loved.
