**The Passage of Power**
Robert Car, 2002-05-05 WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD, THE LOS ANGELES TIMES BOOK PRIZE, THE MARK LUTHER KING, JR. HISTORY PRIZE, THE AMERICAN HISTORY BOOK PRIZE Book Four of Robert Car's monumental The Years of Lyndon B. Johnson, acclaiming the president's acquisition of political power and defining the trajectory of his life. The epic sweep of the book is impressive, and the gravity of the narrative is grave. The author's treatment of Johnson is at times a bit too personal, but he is not allowed to be so personal to the point of overkill. The book is a must-read for anyone interested in political power and history. A great addition to any political science library.
