The book has an introduction by the novelist Mary Gordon, and is edited and annotated by Matthew J. Bruccoli.

Birds of Belize H. Lee Jones 2010-03-01 “Fills a major gap in the bird identification literature . . . A must for birders planning a trip to this friendly patch of Central America.” —The Curious Naturalist With nearly six hundred identified species of birds—and an average of five “new” species discovered annually—Belize is becoming a birding hotspot for amateur and professional birders from around the globe. Thousands of birders visit the country each year to enjoy Belize’s amazing abundance and variety of both temperate and tropical birds in natural habitats that remain largely unspoiled. But until now, despite the growing need for an authoritative identification guide, birders have had to rely on regional field guides that offer only limited information on Belizean birds. Birds of Belize provides the first complete guide to the identification of all currently known species—574 in all. The birds are grouped by families, with an introduction to each family that highlights its uniquely identifying characteristics and behaviors. The species accounts include all the details necessary for field identification: scientific and common names, size, plumage features, thorough voice descriptions, habitat, distribution, and status in Belize. Full color, expertly drawn illustrations by noted bird artist Dana Gardner present male and female, juvenile and adult, and basic and alternate plumages to aid visual identification throughout the year, while 234 range maps show the birds’ distribution and seasonality in Belize. A comprehensive bibliography completes the volume. “A first-class book that will enable users to identify any bird they encounter in Belize.” —Victor Emanuel, President, Victor Emanuel Nature Tours

Spiritual Purification in Islam Gavin Picken 2011-03-21 Purification of the soul is a principle that is central to understanding Islamic spirituality but despite this, relatively little has been written explicitly in the Islamic tradition regarding this discrete method of spiritual purification. This book examines the work of a scholar of this discipline, al-Hārith al-Muhāsibī, who lived and worked during the classical Islamic period under the Abbāsids. Although al-Muhāsibī was well known for his skills in many disciplines, including the Qur’ān, Prophetic narration and scholastic theology, it is his mastery in the field of Islamic spirituality and moral psychology for which he is best remembered. Assessing the extent to which the political, social and economic factors played a part in his life and work, Gavin Picken provides a comprehensive overview of his work and its great significance in the development of Islamic spirituality. Reconstructing his life in chronological order and providing the most comprehensive appraisal of his works to date, it explores a facet of al-Muhāsibī’s teaching which as yet has not been studied, namely his understanding, concept and methodology regarding the purification of the soul within the Islamic paradigm. As such, it will be of great interest not only to researchers and students of Sufism but also to scholars of comparative spirituality and mysticism.

When a Girl Loves an Earl Elisa Braden 2016-08-30 What a girl wants... Miss Viola Darling always gets what she wants. Always. And what she wants more than anything is to marry James Kilbrenner, the Earl of Tannenbrook. She’s fallen hard for the giant, taciturn, surly brute, and she positively will have no other. The problem? He’s not interested. Not even a little. But Viola cannot afford to lose. And she has her heart set on James. If only he will bend to a bit of persuasion. Is an earl like no other... James Kilbrenner knows how determined the entirely-too-beautiful Miss Darling can be—the daft woman cornered him at a perfectly respectable dinner and mangled his cravat before he could escape. He has no desire to marry, less desire to be pursued, and will certainly not kiss her kissable lips until they are both breathless, no matter how tempted he may be. And only the right one will do... Thrown in her path by a meddling marchioness, James finds himself under sensual siege from a tiny, flirtatious sprite who puts both his heart and his vow to remain unwed at risk. And when scandal looms, he learns the hard way that a man can resist only so long before the indomitable Miss Darling gets her way.

Preacher's Peace William W. Johnstone 2016-06-28 Long before there was a mountain man called Preacher, a young adventurer set off with a team of fur traders from St. Louis for the time of his life. On a wild frontier, he sought a fortune. Instead, he found blood, betrayal, and the beginning of a legend. Armed only with a knife, surrounded by a fierce Blackfoot war party, the young man was forced to kill a warrior chief in an act of audacious courage. But when a grizzly bear attack left him half-dead, he could no longer protect himself. By the time the Blackfeet found him again, he had been abandoned and doublecrossed, with only one last trick up his sleeve: the ability to talk himself out of an impossible situation -- and into a battle for his life. So began William Johnstone's masterful saga of the courageous loner who would become known as Preacher. Because when he was alone and desperate, he drew on a preacher's skills -- and a mountain man's cunning -- to give his enemies hell.

Marriage Made In Hope Sophia James 2016-06-01 "Sometimes I could scream with boredom." Measured and self-effacing, Lady Sephora Connaught knows there is another, more reckless side to her. When she's rescued from the fast-flowing Thames by the wild and dangerous Francis St. Cartmail, Earl of Douglas, suddenly her confined world bursts into vibrant life. Francis has never fit into high society's narrow world, so why does he feel so connected to--and undeniably aroused by--this "angel of the ton"? She offers him hope, but only time will tell if their fragile marriage is enough to banish his demons forever!

Force of Temptation Suzanne Wright 2016-12-13 Harley Vincent is resigned to life in the human world. Sure, being a margay shifter is half her nature, but life among humans gives her the freedom to roam and do as she pleases. That is, until anti-shifter extremists target her, putting her life in immediate danger. When an old acquaintance and onetime fling, Jesse Dalton, shows up to offer the protection of his pack, Harley hesitates. She may have feelings for Jesse that go beyond their one-night stand, but life among shifters means giving over her independence to the needs of pack. Plus Mercury Pack has its own threat to face: a rich half-shifter is determined to claim their territory at any cost. Jesse, who lost his true mate as a child, has wanted Harley since their night together, and he s not letting her go again. They may not be destined for each other, but he knows she belongs to him and with his pack. Even if he can convince her to join him now, can he convince her to stay?"

Elizabeth's Legacy (Royal Institute of Magic) Victor Kloss 2014-08-27 Like most normal people, Ben hadn't the faintest idea there was an Institute of Magic... The Bite That Binds Suzanne Wright 2013-02-17 It's just over a week until Sam will be Binding with Jared, and the only thing she wants is to spend that time relaxing and preparing for the ceremony. Unfortunately, she seems to be asking too much of fate, because suddenly she's lumbered with a number of distractions that have the potential to postpone, or even cancel, the Binding. There's a guarded fiancé to crack, a complicated assignment to deal with, Jared's ex to alienate, and a bunch of snobbish Master Vampires to win over - or offend, whichever. On the upside, things couldn't possibly be any worse, could they?Actually, yes they could. Due to a cruel twist of fate, something strange is happening to Sam -something that is changing her in ways she doesn't like or understand. With the help of Jared and those closest to her, she has to not only handle the threats to the Binding Ceremony, but find a way to fix what has been done to her - and fast. Warning: This book contains a stubborn and occasionally homicidal female vampire, a powerful and overprotective male vampire who refuses to lose her, and scenes of a sexual, explicit nature.
