I was in love with his younger brother, Kyle, first. Kyle was my first one true love, my first in every way. Then, one stormy August night, he died, and the person I was died with him. Colton didn't teach me how to live. He didn't heal the pain. He didn't make it okay. He taught me how to hurt, how to not be okay, and, eventually, how to let go. Nell Hawthorne is in love with her life-long best friend, Kyle Calloway. Things are great, and they're in love, young, full of promise. Then Kyle dies in a tragic accident and Nell is forever changed. She meets Kyle's older brother Colton at the funeral, and there's a spark, but it's wrong and they both know it. The moment passes, and they both move on with life. A couple years later, they meet again in New York City, and Colton realizes that Nell has never really gotten over Kyle's death, and seems to be harboring a deeply rooted pain, something like guilt, perhaps. He knows he shouldn't get involved, but he can't help himself. Trust doesn't come easily for either of them, and they both have demons, Colton especially. Together, they learn the purpose of pain and the meaning of healing, and the importance of forgiveness.

Drowning Instinct Ilsa J. Bick 2012-02-01 There are stories where the girl gets her prince, and they live happily ever after. (This is not one of those stories.) Jenna Lord's first sixteen years were not exactly a fairy tale. Her father is a controlling psycho and her mother is a drunk. She used to count on her older brother—until he shipped off to Iraq. And then, of course, there was the time she almost died in a fire. There are stories where the monster gets the girl, and everyone cries for his innocent victim. (This is not one of those stories either.) Mitch Anderson is many things: A dedicated teacher and coach. A caring husband. A man with a certain...magnetism. And there are stories where it's hard to be sure who's a prince and who's a monster, who is a victim and who should live happily ever after. (These are the most interesting stories of all.) Drowning Instinct is a novel of pain, deception, desperation, and love against the odds—and the rules.

Camgirl Isa Mazzei 2021-02-09 From the "former sex worker taking Hollywood by storm" (The Daily Beast), comes a candid and hilarious memoir of sex work, shame, and self-discovery set in the colorful world of live-streaming camgirls. At twenty-three, Isa Mazzei was just like any other college graduate: broke, lacking purpose, and searching for an identity. She was also a compulsive seductress with a reputation as a slut and heartbreaker. One day, while working a low-paying retail job, she had a revelation: why not embrace her salacious image and make some money off of it? She began stripping, dancing, masturbating, playing games, making art—and broadcasting it all online for money as a camgirl. In her first month, she racked up hundreds of nightly viewers, and within a year she ranked in the top fifty girls on a site featuring tens of thousands of performers. Over the course of her career, Isa built her own business, explored BDSM, attended a porn convention, slept with a fan, and pushed herself further than she thought possible. And yet, despite her success, she struggled to fit into the community she so desperately wanted to belong to. Camgirl is a relatable look at confronting our past traumas and accepting ourselves for who we are. It masterfully explores the complexities of digital life, sexuality and the tensions between our private and public selves. Mazzei's biting humor and raw vulnerability ensure you'll never think about sex work—or sex—the same way again.

They bust out of an emergency exit and have axis-shaking sex. He pours whiskey in her belly button and after they run out of condoms, they have to get creative. That kind of sex. The next day, she learns that he is none other than Dr. Benjamin Beck, a brand new member of the Yale faculty and the hottest thing to happen to academia since... well, ever. She has to take his damned junior seminar to graduate, but it gets worse. He's also her College Master: her boss, her advisor, her everything. And he's just moved in, right downstairs. They can't stay away from each other. They're either fusion or fission or both. They're making out in libraries, hiding notes between stones, and sneaking off to nautically themed AirBnbs. Hear that sound? It's the academic code

of ethics going up in flames. If they're found out, he'll lose his job and his reputation. She'll lose her scholarship and be forced to return to the life of lobster fishing that she thought she'd escaped. And they will be found out, yes they will. So what the hell are they going to do? ***
To the reader: Things get damned dirty in this book. The characters curse, the sex gets explicit. It's an erotic love story with fury. Be advised. This is a stand-alone novel. Other tasters' notes: HEA. Sweet. Funny. Dirty. Muddy. Wet. Inspired by a real professor.
