Automated Data Retrieval in Astronomy Carlos Jaschek 1982-06-30 The idea of this Colloquium came during the XVIIth General Assembly of the I. A. U. at Montreal. The meeting was organized under the auspices of I. A. U. Commission 5 (Documentation and Astronomical Data). The Scientific Organizing Committee consisted of C. Jaschek (chairperson), O. Dluzhnevskaya, B. Hauck (vice chairperson), W. Heintz, P. Lantos, Th. Lederle, J. Mead, G. Ruben, Y. Terashita, G. Wilkins. The members of this Committee are to be thanked for their devotion to the organization of what turned out to be a very successful meeting. The program was organized so as to cover most of the aspects concerning work with machine readable data. In a certain sense it is the develop ment of the subjects of I. A. U. Colloquium 35 "Compilation, critical evaluation and distribution of stellar data" held at Strasbourg in 1976. The meeting was opened by welcoming addresses delivered by Dr A. Floorsch, Director of the Strasbourg Observatory, Prof. H. Curien, President of the European Science Foundation and Prof. W. Heintz, President of I. A. U. Commission 5. The sessions were devoted to the following subjects: Existing data centers, Data networks, New hardware, Recent software developments, Bibliographical services, Copyright, Editorial policies and nomenclature, Data in astronomy and Data in space astronomy. The different sessions were chaired by G. A. Pilkins, J. Mead, S. Lavrov, W. Heintz, P. Lantos, M. McCarthy, J. Delhaye and G. Westerhout. On July 9 Dr A. Exercises in Style Raymond Queneau 1981 Queneau uses a variety of literary styles and forms in ninety-nine exercises which retell the same story about a minor brawl aboard a bus

Dear Ijeawele, or A Feminist Manifesto in Fifteen Suggestions Chimamanda Ngozi Adichie 2017-03-07 NATIONAL BESTSELLER • The award-winning author of We Should All Be Feminists and Americanah gives us this powerful statement about feminism today—written as a letter to a friend. A few years ago, Chimamanda Ngozi Adichie received a letter from a childhood friend, a new mother who wanted to know how to raise her baby girl to be a feminist. Dear Ijeawele is Adichie’s letter of response: fifteen invaluable suggestions—direct, wryly funny, and perceptive—for how to empower a daughter to become a strong, independent woman. Filled with compassionate guidance and advice, it gets right to the heart of sexual politics in the twenty-first century, and starts a new and urgently needed conversation about what it really means to be a woman today. A Skimm Reads Pick • An NPR Best Book of the Year Clean My Space Melissa Maker 2017-03-07 The wildly popular YouTube star behind Clean My Space presents the breakthrough solution to cleaning better with less effort Melissa Maker is beloved by fans all over the world for her completely re-engineered approach to cleaning. As the dynamic new authority on home and living, Melissa knows that to invest any of our precious time in cleaning, we need to see big, long-lasting results. So, she developed her method to help us get the most out of our effort and keep our homes fresh and welcoming every day. In her long-awaited debut book, she shares her revolutionary 3-step solution: • Identify the most important areas (MIAs) in your home that need attention • Select the proper products, tools, and techniques (PTT) for the job • Implement these new cleaning routines so that they stick Clean My Space takes the chore out of cleaning with Melissa’s incredible tips and cleaning hacks (the power of pretreating!) her lightning fast 5-10 minute “express clean” routines for every room when time is tightest, and her techniques for cleaning even the most daunting places and spaces. And a big bonus: Melissa gives guidance on the best non-toxic, eco-conscious cleaning products and offers natural cleaning solution recipes you can make at home using essential oils to soothe and refresh. With Melissa’s simple groundbreaking method you can truly live in a cleaner, more cheerful, and calming home all the time.

Mission of Gravity Hal Clement 2014-12-11 Mesklin is a vast, inhospitable, disc-shaped planet, so cold that its oceans are liquid methane and its snows are frozen ammonia. It is a world spinning dizzyingly, a world where gravity can be a crushing 700 times greater than Earth's, a world too hostile for human explorers. But the planet holds secrets of inestimable value, and an unmanned probe that has crashed close to one of its poles must be recovered. Only the Mesklinites, the small creatures so bizarrely adapted to their harsh environment, can help. And so Barlennan, the resourceful and courageous captain of the Mesklinite ship Bree, sets out on an heroic and appalling journey into the terrible unknown. For him and his people, the prize to be gained is as great as that for mankind... Hal Clement's MISSION OF GRAVITY is universally regarded as one of the most important and best loved novels in the genre. The remarkable and sympathetic depiction of an alien species and the plausible and scientifically based realisation of the strange world they inhabit make it a major landmark in the history of hard SF.

And the Hippos Were Boiled in Their Tanks William S. Burroughs 2009-11-10 In the summer of 1944, a shocking murder rocked the fledgling Beats. William S. Burroughs and Jack Kerouac, both still unknown, we inspired by the crime to collaborate on a novel, a hard-boiled tale of bohemian New York during World War II, full of drugs and art, obsession and brutality, with scenes and characters drawn from their own lives. Finally published after more than sixty years, this is a captivating read, and
incomparable literary artifact, and a window into the life and art of two of the twentieth century's most influential writers.

**Watt** Samuel Beckett 2009-06-16 In prose possessed of the radically stripped-down beauty and ferocious wit that characterize his work, this early novel by Nobel Prize winner Samuel Beckett recounts the grotesque and improbable adventures of a fantastically logical Irish servant and his master. Watt is a beautifully executed black comedy that, at its core, is rooted in the powerful and terrifying vision that made Beckett one of the most influential writers of the twentieth century.

**Who Fears Death** Nnedi Okorafor 2011-06-07 Now optioned as a TV series for HBO, with executive producer George R.R. Martin! An award-winning literary author enters the world of magical realism with her World Fantasy Award-winning novel of a remarkable woman in post-apocalyptic Africa. In a post-apocalyptic Africa, the world has changed in many ways; yet in one region genocide between tribes still bloodies the land. A woman who has survived the annihilation of her village and a terrible rape by an enemy general wanders into the desert, hoping to die. Instead, she gives birth to an angry baby girl with hair and skin the color of sand. Grippied by the certainty that her daughter is doomed, she names her Onyesonwu, which means "Who fears death?" in an ancient language. It doesn't take long for Onye to understand that she is physically and socially marked by the circumstances of her conception. She is Ewu—a child of rape who is expected to live a life of violence, a half-breed rejected by her community. But Onye is not the average Ewu. Even as a child, she manifests the beginnings of a remarkable and unique magic. As she grows, so do her abilities, and during an inadvertent visit to the spirit realm, she learns something terrifying: someone powerful is trying to kill her. Desperate to elude her would-be murderer and to understand her own nature, she embarks on a journey in which she grapples with nature, tradition, history, true love, and the spiritual mysteries of her culture, and ultimately learns why she was given the name she bears: Who Fears Death.

**The Recognitions** William Gaddis 2012-02-07 The book Jonathan Franzen dubbed the "ur-text of postwar fiction" and the "first great cultural critique, which, even if Heller and Pynchon hadn't read it while composing Catch-22 and V., managed to anticipate the spirit of both." The Recognitions is a masterwork about art and forgery, and the increasingly thin line between the counterfeit and the fake. Gaddis anticipates by almost half a century the crisis of reality that we currently face, where the real and the virtual are combining in alarming ways, and the sources of legitimacy and power are often obscure to us.

**The Forever War** Dexter Filkins 2008-09-16 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • NATIONAL BESTSELLER • The definitive account of America's conflict with Islamic fundamentalism and a searing exploration of its human costs—an incisive work from the Pulitzer Prize winning journalist. Through the eyes of Dexter Filkins, a foreign correspondent for the New York Times, we witness the rise of the Taliban in the 1990s, the aftermath of the attack on New York on September 11th, and the American wars in Afghanistan and Iraq. Filkins is the only American journalist to have reported on all these events, and his experiences are conveyed in a riveting narrative filled with unforgettable characters and astonishing scenes. Brilliant and fearless, The Forever War is not just about America's wars after 9/11, but about the nature of war itself. Hitch-Hiker's Guide to Europe Ken Welsh 1979

A Fine Balance Rohinton Mistry 2010-10-29 A Fine Balance, Rohinton Mistry's stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a "State of Internal Emergency." Through days of bleakness and hope, their circumstances and their fates—become inextricably linked in ways no one could have foreseen. Mistry's prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, A Fine Balance is a vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.

Sacred Games Vikram Chandra 2011-03-03 An enormously satisfying, exciting and enriching book, Vikram Chandra's novel draws the reader deep into the lives of detective Sartaj Singh and Ganesh Gaitonde, the most wanted gangster in India. Sartaj, the only Sikh inspector in the whole of Mumbai, is used to being
identified by his turban, beard and the sharp cut of his trousers. But ‘the silky Sikh’ is now past forty, his marriage is over and his career prospects are on the slide. When Sartaj gets an anonymous tip off as to the secret hideout of the legendary boss of the G-company, he’s determined that he’ll be the one to collect the prize. This is a sprawling, epic novel of friendships and betrayals, of terrible violence, of an astonishing modern city and its underworld. Drawing on the best of Victorian fiction, mystery novels, Bollywood movies and Vikram Chandra’s years of first hand research on the streets of Mumbai, this novel reads like a potboiling page-turner but resonates with the intelligence and emotional depth of the best of literature.

Timon of Athens William Shakespeare 2011-08-23 The real Timon of Athens was a wealthy aristocrat in fifth century BCE, making him a contemporary of Socrates and Pericles. Shakespeare presents Timon as a figure who suffers such profound disillusionment that he becomes a misanthrope, or man-hater. This makes him a more interesting character than the caricature he had become to Shakespeare’s contemporaries, for whom “Timonist” was a slang term for an unsociable man. Shakespeare’s play includes the wealthy, magnificent, and extravagantly generous figure of Timon before his transformation. Timon is expected to provide money and material gifts that he owned, his friends will be equally generous to him. Once his creditors clamor for repayment, Timon finds that his idealization of friendship is an illusion. He repudiates his friends, abandons Athens, and retreats to the woods. Yet his misanthropy arises from the destruction of an admirable illusion, from which his subsequent hatred can never be entirely disentangled. The authoritative edition of Timon of Athens from The Folger Shakespeare Library, the trusted and widely used Shakespeare series for students and general readers, includes: -The exact text of the printed book for easy cross-reference -Hundreds of hypertext links for instant navigation -Freshly edited text based on the best early printed version of the play -Full explanatory notes conveniently placed on pages facing the text of the play -Scene-by-scene plot summaries -A key to the play’s famous lines and phrases

The Case against Education Bryan Caplan 2019-08-29 Why we need to stop wasting public funds on education Despite being immensely popular—and immensely lucrative—education is grossly overrated. Now with a new afterward by Bryan Caplan, this explosive book argues that the primary function of education is not to enhance students’ skills but to signal the qualifications of a good employee. Learn why students hunt for easy As only to forget most of what they learn after the final exam, why decades of growing access to education have not resulted in higher paying jobs for workers, and why cutting education spending is the best remedy. Romantic notions about education being “good for the soul” must yield to careful research and common sense—The Case against Education points the way.

Black Like Me John Howard Griffin 2006-04-01 This American classic has been corrected from the original manuscripts and indexed, featuring historic photographs and an extensive biographical afterword. From one of America’s iconic writers, a stunning book of electric honesty and passion that explores an intensely personal yet universal experience: a portrait of a marriage—and a life, in good times and bad—that will speak to anyone who has ever loved a husband or wife or child. Several days before Christmas 2003, John Gregory Dunne and Joan Didion saw their only daughter, Quintana, fall ill with what seemed at first flu, then pneumonia, then complete septic shock. She was put into an induced coma and placed on life support. Days later—the night before New Year’s Eve—the Dunnes were just sitting down to dinner after visiting the hospital when John Gregory Dunne suffered a massive and fatal coronary. In a second, this close, symbiotic partnership of forty years was over. Four weeks later, their daughter pulled through. Two months after that, arriving at LAX, she collapsed and underwent six hours of brain surgery at UCLA Medical Center to relieve a massive hematoma. This powerful book is Didion’s attempt to make sense of the events that have led her to this moment. It is a love story, a marriage, a family tragedy, a work of art. It’s about death, about illness ... about marriage and children and memory ... about the shallowness of sanity, about life itself.

Salem Falls Jodi Picoult 2007 When Jack St. Bride arrives by chance in the sleepy New England town of Salem Falls, he decides to reinvent himself. Tall, blond, and handsome, Jack was once a beloved teacher and soccer coach at a girls’ prep school—until a student’s death cut short his promising career. The Jack burdens his past, content to become the mysterious stranger who has appeared out of the blue. With ghosts of her own haunting her, Addie Peabody is as cautious around men ad Jack St. Bride is around women. But as this unassuming stranger steps smoothly into the dinner’s daily routine,
she finds him fitting just as comfortably inside her heart - and slowly, a gentle, healing love takes hold between them. Yet planting roots in Salem Falls may prove fateful for Jack. Amid the white-painted centuries-old churches, a quartet of bored, privileged teenage girls have formed a coven that is crossing the line between amusement and malicious intent. Quick to notice the attractive new employee at Addie's diner, the girls turn Jack's world upside down with a shattering allegation that causes history to repeat itself - and forces Jack to proclaim his innocence once again. Suddenly nothing in Salem Falls is as it seems; a safe haven turns dangerous, an innocent girl meets evil face-to-face, a dishwasher with a Ph.D. is revealed to be an ex-con. As Jack's hidden past catches up with him, the seams of this tiny town begin to tear, and the emerging truth becomes a slippery concept written in shades of gray.

50 Things You're Not Supposed to Know Russ Kick 2004-11-01 Ever feel like you're being kept in the dark? Do you feel like the facts and history you rely on might not be the truth, the whole truth and nothing but? Russ Kick delivers a second round of stunning information, forgotten facts and hidden history—all thoroughly researched and documented. Sized for quick reference, filled with facts, illustrations, and graphic evidence of lies and misrepresentations, 50 Things You're Not Supposed to Know—Volume 2 presents the vital, often omitted details on human health hazards, government lies, and secret history and warfare excised from your schoolbooks and nightly news reports. Russ Kick and The Disinformation Company have published five successful books together since 2001. Each one has become a bestseller, establishing Russ as the leader in gathering and disseminating the hidden history, forgotten facts, secret stories and covert cover-ups that "they" don't want you to know!

Little, Big John Crowley 2012-05-22 John Crowley's masterful Little, Big is the epic story of Smoky Barnable, an anonymous young man who travels by foot from the City to a place called Edgewood—not found on any map—to marry Daily Alice Drinkawater, as was prophesied. It is the story of four generations of a singular family, living in a house that is many houses on the magical border of an otherworld. It is a story of fantastic love and heartrending loss; of impossible things and unshakable destinies; and of the great Tale that envelops us all. It is a wonder.

The 15-Minute Clean Lynsey Crombie 2021-06-01 What if you could always have a sparkling clean and organized home by just spending 15 minutes per day on your housework? The 15-Minute Clean will teach you how to do just that. Cleaning has never been easier than with TV's Queen of Clean, Lynsey Crombie, and her guide to your new daily cleaning routine.
