He grappled with terrorists, a debt crisis, endemic political corruption, and a huge gulf between the elites and those they governed. In many ways, Cato was the ultimate man of principle—he even chose suicide rather than be used by Caesar as a political pawn. But Cato was also a political failure: his stubbornness sealed his and Rome's defeat, and his lonely end casts a shadow on the recurring hope that a singular leader can transcend the dirty business of politics. Rome's Last Citizen is a timeless story of an uncompromising man in a time of crisis and his lifelong battle to save the Republic.
