Dreamers of the Day Mary Doria Russell 2008-03-11 A schoolteacher still reeling from the tragedies of the Great War and the influenza epidemic travels to the Middle East in this memorable and passionate novel—“Marvelous . . . a stirring story of personal awakening set against the background of a crucial moment in modern history.”—The Washington Post Agnes Shanklin, a forty-year-old schoolteacher from Ohio, has come into a modest inheritance that allows her to take the trip of a lifetime to Egypt and the Holy Land. Arriving at the Semiramis Hotel just as the 1921 Cairo Peace Conference convenes, she is freed for the first time from her mother’s withering influence and finds herself being wooed by a handsome, mysterious German. At the same time, Agnes—with her plainspoken American opinions—is drawn into the company of Winston Churchill, T. E. Lawrence, and Lady Gertrude Bell, who will, in the space of a few days, redraw the world map to create the modern Middle East. As they change history, Agnes too will find her own life transformed forever. With prose as graceful and effortless as a seductive float down the Nile, Mary Doria Russell illuminates the long, rich history of the Middle East with a story that brilliantly elucidates today's headlines.

Hart Attack
Cristin Harber 2014-11-18 Outside of Titan Group, there are few people that Roman Hart would die for. He’s a soldier, a protector, and he’s haunted that others the people he should’ve been able to protect didn’t let go of their own volatile heart and a cocky attitude are his impenetrable shields, until one woman—one challenge-drives him to distraction. On the outside, Beth Tourne has it all. Luxury car, gorgeous condo, and a job partying with the rich and famous. It’s a plush CIA cover, but she wants more. Anything for an adrenaline rush that can override her guilty numbness and let her forget the tragedy she never saw coming. Their scars make them perfect operatives. Their mirrored pasts give them deep, wounded reasons to stay alone. But the more they ignore the tension, the more vulnerable they become. Survival means trust. In one another, behind closed doors, and on the job. The only way they’re making it out alive is if they find peace while waging a war. BY A THREAD Lucy Score 2020-04-23 Dominic was staring at me like he couldn't decide whether to chop me into pieces or pull my hair and French kiss me. Dominic I got her fired. Okay, so I'd had a bad day and took it out on a bystander in a pizza shop. But there's nothing innocent about Ally Morales. She proves that the first day with her new job is a bad idea. Dominic's the guy hired by my mother. So maybe her colorful, annoying, inexplicably alluring personality brightens up the magazine's offices that have felt like a prison for the past year. Maybe I like that she argues with me in front of the editorial staff. And maybe my after-hours fantasies are haunted by those brown eyes and that sharp tongue. But that doesn't mean that I'm going to be the next Russo man to take advantage of his position. I might be a second-generation son of a... fill in the blank, but I am not my father. She's working herself to death at half a dozen dead-end jobs for some secret reason she doesn't feel like sharing with me. And I'm going to fix it all. Don't accuse me of caring. She's nothing more than a puzzle to be solved. If I can get her to quit, I can finally peel back all those layers. Then I can go back to salvaging the family name and forget all about the dancing, beer-slinging brunette. Ally Ha. Hold my beer, Grumpy Grump Face. Author's Note: A steamy, swoon-y workplace romantic comedy with a grumpy boss hero determined to save the day and a plucky heroine who is starting to wonder if there might actually be a beating heart beneath her boss's sexy vest. And damn if he doesn't have to save her from the side of a frozen mountain. Even after the job is done, he can't shake the woman from his thoughts. He blames her for the deaths in his Army unit so many years ago, and he's not ready to let that go. It's driving him to the point of distraction, and now his Titan Group boss says to get his act together or get the hell out. THE FEISTY, FALLEN REPORTER Cassidy is a disgraced journalist, once accused of treason--Or she's an American hero. It depends on who you ask. She's on a mission to rebuild her name and started with a simple question but discovered a complex web of spies and possible human trafficking. Titan Group believes in her. Locke does not. A Lot Like Christmas Jennifer Snow 2021-09-28 This Christmas season, love comes where you least expect it. For Jessica Connolly, there is no better place than her coastal hometown of Blue Moon Bay. She has a wonderful family, supportive best friends, and a successful bakery on Main Street. Unfortunately, every time she designs one of her ex-boyfriends’ wedding cakes, she’s reminded just how unlucky she is with love...and that she’s a good luck charm for men to find their happily ever after. With someone else. The minute they break up. So she’s decided to be done with love. Dr. Mitch Jameson is more comfortable traveling the world with Doctors Without Borders than staying in one place. He just needs to survive the holidays in his small hometown before he can leave again. The beautiful, intriguing bakery owner with an aversion to dating might be just who he needs to occupy his restless heart. From sipping hot chocolates at the local festival of lights to early morning deliveries, Jessica and Mitch rediscover the spirit of the holidays. But when the 25 days of Christmas are over, will their romance be over, too? Each book in the Blue Moon Bay series is STANDALONE.

Fortunate Son Jay Crownover 2021-06-20 Ry Archer and Bowe Keller are as different as night and day. That doesn't mean they don't share similar struggles. At the moment, both are realizing the reality of getting closer and closer to reaching their dreams and aspirations is very much not living up to all the hype. The childhood cohorts always seem to connect when one of them needs help figuring out any of life's major puzzles, like figuring out why getting what you always thought you wanted isn't all it's cracked up to be. They might constantly rub each other the wrong way (except for when they rubbed each other really-really right), but there is no denying they've always made one hell of a great team. For Ry, he thought he had the perfect girl, the one who was going to run headfirst into a meticulously and methodically planned future. He was going to marry young and have the same kind of legendary, life-long romance his parents did... or so he believed. His girl was going to stand by his side as he chased his dream of being a professional football player all the way to the NFL. He was wrong. Now, Ry's gotta figure out the difference between a bruised heart and a broken one, and the only person who can teach him the difference is Bowe. Bowe always felt like she had to run before she learned. Then a walk to keep up with her father's musical legacy. He's her hero, and she wants nothing more than to make him proud. Bowe's about to figure out that maybe she wasn't meant to be in a rock and roll band and that it is entirely possible she let her father's dream and road to success cloud her own idea of what making music should be. Bowe needs to find her own way to fame, and there's a good chance she wouldn't be brave enough or bold enough to start over if Ry Archer hadn't pushed his way back into her life when she least expected it. Some days they're enemies. Some days they're lovers. For a while, they were strangers. But now, it feels more like they might've always been soulmates. At the end of the day, both will realize that letting go of an old dream and creating a new one is much easier to do with the right person by your side.

Shaw Aldrich and his best friend, boyfriend, and partner, North McKinney, are doing great, thanks. The aftermath of their search for the Slasher has finally settled down. Their private investigation agency is thriving. And after years of missed opportunities, they're finally together. Sure, work might be taking up every spare minute, and their time together as a couple might have evaporated—but that's normal, right? When an author asks for their help investigating threats against a gay romance convention, Shaw sees an opportunity to shake up their routine and maybe have some fun. But the convention isn't what he expects. Between the rabid fans and the backbiting authors, the death threats—which seem totally baseless—are the least of North and Shaw's worries. Until, that is, a bestselling author is poisoned in the middle of a panel. Then Shaw and North must race against the clock to find the killer before he (or she) escapes—and before the convention ends. But romance authors are more complicated than either North or Shaw expects, and a treacherous web knits the suspects together. Shaw and North will have to unravel a skein of lies and half-truths to uncover the killer. It doesn't help that, on top of everything else, Shaw just wants to find his next favorite book—and, if it isn't asking too much, have sex with North at least one more time in his current incarnation. Indirection is the first book in a follow-up series; read North and Shaw's first adventures in The Borealis Investigations, beginning with Orientation.
